Old Eli Looks For 'T' Man Shaughnessy

By JACK CUDDY
United Press Staff Correspondent
NEW YORK, Feb. 16 (U. P.).—Sports writers were scrambling about Manhattan today, looking for Clark Shaughnessy, "miracle man" of Stanford football who is being considered for the vacant coaching berth at Yale.

Shaughnessy was reported reliably to have been in New York over the weekend conferring with Edwin F. Blair, chairman of the Yale advisory football committee—but no one could locate him. Blair, a New York attorney, also was out of circulation.

A member of the Yale athletic organization at New Haven, Conn., said he "knew" Shaughnessy was in New York, but couldn't designate his hotel or club.

Meanwhile, Ogden D. Miller, Yale's director of athletics, said he had heard authoritatively that Shaughnessy was being considered by the advisory committee, "along with several other well-known coaches." Miller mentioned no other names, but the college grapevine has it that Shaughnessy's only remaining rival is Ray Morrison of Temple, and that the Stanford pilot has the inside track.

Clark On Inside

The five-man advisory committee of Eli Alumni has been searching for a "big-name" pilot to take over Yale's gridiron destinies since Spike Nelson resigned Dec. 22, after a disastrous single season in which the Bulldogs had only one victory in eight games.

Under the circumstances, it seems that Shaughnessy has a good chance for the job. He and his "T" formation blasted Stanford out of the gridiron doldrums in their first season at the Indian helm in 1940, when Stanford won the Pacific Coast championship and beat Nebraska in the Rose Bowl. Last season Clark's Stanford team won six and lost three games, after becoming a bit over-confident. Perhaps he could put on a resurrection.

Cathedral Set For Tourney

Cathedral's fighting quintet has served notice that it's ready for the State Catholic High School tournament this week-end.

Boasting an indifferent season so far, the Irish whipped Warren Central Saturday night, 27 to 25, paced by Leo Barnhorst's 20 points.

Tech, meanwhile, was trying hard against Anderson but didn't quite make the grade, losing, 32 to 27, in the Big Green's North Central Conference season finale.

In other city games Saturday, Southport poured it on Broad Ripple with Rushville, 54 to 18; Manual beat Beech Grove, 39 to 27, and Howe established a new scoring record for the Hornets, beating the Silent Hoosiers, 83 to 17.

Warren's Rally Short

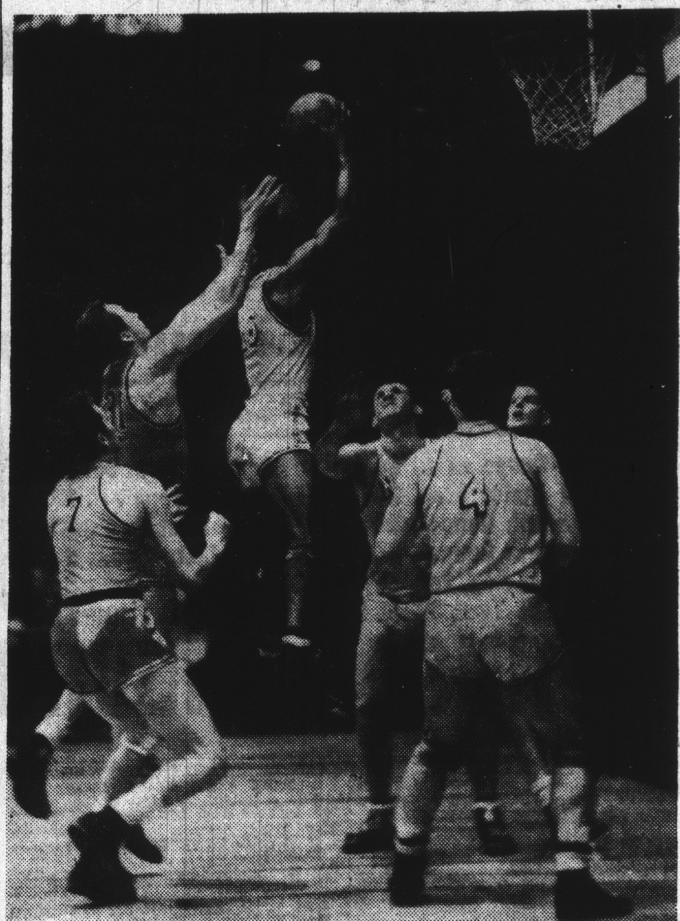

Cathedral got off to a flying start against Warren, leading, 8 to 2, at the first quarter, 14 to 6 at the half and 22 to 18 at the third period. Warren's late rally fell short.

Bill Pease led the scoring in the Tech-Anderson tilt, but the Green could never close a three-quarter lead taken by the Indians. Pease scored four times from the field in the last period, but Anderson matched Tech basket for basket in the final stages of the game.

Howe broke two scoring records in downing the Silent Hoosiers. Their own high of 60 points, made over the same team last year, was exceeded by three points.

At the same time, Bob Houck collected seven field goals and seven free throws to beat Robby Collins' individual record of 19 for Howe, made last year against Greenfield.

Irish Trim Violets

Jim Coward, N. Y. U. guard in midair grabs a Notre Dame rebound, but the Irish had superior defense and defeated the Violets, 55 to 43, Saturday in Madison Square Garden. At left are Charles Butler (No. 7) and John Niemiera (No. 31) of Notre Dame. No. 4 is Crenert of N. Y. U.

Falls City Bowlers Move Into the Top Position

Falls City Beer, perennial contender for any local ten-pin tournament, today led the championship team division of the men's 36th annual city bowling tournament.

The defending champions of the tournament knocked over 3042 pins yesterday at the West Side alleys for an 88-point lead over second place Stanley Jewellers.

Carl Hardin's 661 series of 228, 191 and 242 was a great help to the new leaders. Other team members scores were Lee Carmin, 656; Joe Fulton, 588; Ray Robinson, 576, and Leo Ahearn, 576.

Highest individual honors yesterday went to Dad Hanna who bowled a 666 series.

Handicap team division leaders now are the Link-Belt Grinders with a 3198 total including 271 handicap. Allison Engineers, last Saturday's leaders, was relegated to fourth place after yesterday's firing.

Chandler on Top

Lou Chandler is leading the championship and handicap singles. Bowling at Dezelan's he topped 654 actual pins. His 36 handicap gave him a 690 total.

Joe Danna Jr. and Ray Vollet with 634 totals are tied for second place in the actual individual division. Danna's advantage of 50 extra pins gives him a second spot in the handicap singles. Vollet had nine free pins.

Vollet and Harry Poole are leading doubles competitors with 1200 actual pins. L. R. Valles and R. Turner head the handicap doubles with 1302. They had a 175-pin free start.

R. C. A. Dropped

Meanwhile, first place in the women's team division also was changed with R. C. A. No. 1 being replaced by Ritchey Furniture Co. who were paced by Gertrude Bradley's series of 532 for a 2326 total.

R. C. A. dropped to second and Ritchey Furniture moved into third position with 2269 series. Doris Hamer leading with a 508. The Home-stead quintet also moved into third position of the handicap division with their 471 handicap.

Etta Mae Vickrey and Sarah Shumaker are leading the individual championships. Miss Vickrey's 539 warranted her top position in the championship division while Miss Shumaker added 109 handicap to her 505 actual for a 614 total in the handicap division.

Loop's Hottest Team Whips B'ars, 6 to 4

By HARRY MORRISON

The Caps ought to be set at a jaunty angle today.

But it was a quiet bunch of hockey players that sat in their dressing room at the Coliseum last night after beating Hershey, 6 to 4, before a regular season record crowd of 8800.

They sensed something—maybe the kill.

They've won eight and tied one in their last nine games. They don't want to break that spell.

The Caps went at Hershey as if it were the finals of the American League playoffs. They didn't give the B'ars a chance.

Three Points Out

The victory gave the Caps 55 points to Hershey's 53, with Cleveland, who beat Providence, 1 to 0, in the middle with 56 points.

The passing was superb. Their first, that indefinable "moxie" that gives a team an extra lift, carried them over a squealing, bawling Nick Damore, the Hershey goalie.

They just laughed at his protests after Gus Giesebrecht had made him look silly by lofting the puck over his shoulder and into the net at 4:50 of the third period.

What had been a tight game, with the Caps leading, 3 to 2, at the end of the second period, turned into almost a rout.

Seven minutes later Roy Sawyer, who already had one goal to his credit, took the puck from Jack Keating and Dick Behling just inside the blue line, skated right up to Nick, and then pushed it through a corner past the littleowler.

A Major Penalty

Hershey was still fighting, though, and with six minutes to go, Bob Gracie got in the clear, goal to goal, and no one in his way. Sandy Ross tied him up from behind and Butch Keeling, the referee, called a major penalty shot, which Gracie made.

But the Caps answered that one with another goal in 15:44, as Connie Brown took a pass from Joe Fisher and Ken Kilrea, outskated one defenseman, and then out-thought Damore for another marker to make it 6 to 3.

THE CARD

TOMORROW—Cleveland at Springfield.

WEDNESDAY—Indianapolis at Washington; Hershey at Cleveland.

THURSDAY—Indianapolis at Providence.

SATURDAY—Indianapolis at Springfield; Buffalo at Hershey; Cleveland at Pittsburgh.

SUNDAY—Indianapolis at New Haven; Hershey at Washington; Pittsburgh at Cleveland.

From then on, it was wild and woolly, with "No! No!" doing an awoo dance all over the front porch. Hershey defenseman Frank Eddolls hung outside and as the puck shot out he teed off and banged it home in 16:48.

Starts With A Rush

The game started with a rush. It was fast, like that 2-to-2 tie Cleveland played here Feb. 1. The puck was in Hershey territory almost all the time and at 10:29 of the first period the Caps broke the ice, figuratively, when Joe Fisher took a pass from Ken Kilrea out of a face-off.

Hal Jackson drew two minutes for roughing, and the crowd went crazy when Connie Brown passed to Ken Kilrea and Kenny Dumper in the net with one man shot.

With Jackson still in there, however, the B'ars' extra weight was felt, and Harry Frost counted in 16:16, to bring the score to 2 to 1.

Nick Speechless

Roy (Baby Face) Sawyer got the Caps' third goal of the game at 18:45, taking the rubber from Les Douglas at center ice and dancing in front of Damore. When the puck went in Nick was speechless!

Hershey came back as the second period opened and Johnny Sorrell and Harry Frost combined on "No! No!" when the Caps' defense faltered for a moment. The time was 4:40.

Then came Gus' goal and Nick's histrionics. He carried his plea to the referee, the goal judge, assorted officials and the crowd.

Russia:

LONDON, Feb. 16 (U. P.).—Russian troops have made further advances into White Russia and were reported unofficially within 85 miles of the old Polish frontiers today.

Major German fortified points in White Russia have been outflanked. Radio Stockholm said an advance of approximately 50 miles had been made by a guard division in the Veliky Luki area, a key point on the Moscow-Riga railway line.

A Moscow radio military commentator, broadcasting from the front, said a "call to arms" had been made recently to the Russian peasants immediately behind the German lines.

Peasants Join Guerrillas

Thousands of peasants joined guerrilla outfits and recaptured 41 villages which they held until the advancing Russian army occupied them.

The army newspaper Red Star said the central front advance was encountering a denser system of fortifications which increased as the Russians moved forward.

Russian communiques said 10,000 Germans had been killed in western front operations.

Soviet troops dislodged the enemy

from several villages around Khar'kov, they said.

On the southern front, Marshal Semenov Timoshenko's armies were attacking on the ice of the Sea of Azov in the Taganrog area.

The Kubiyshev radio said Russian ski troops had penetrated the German lines of the southern sector of the central front and routed German skiers and tank detachments.

Nazis Soldiers Surrender

Russian communiques claimed heavy losses to German man-power at Leningrad, where infantry units, led by the Soviets' famed cavalry, managed to break through the German entrenchment at one point.

The Russian air force was reported dropping 11,000,000 propaganda leaflets in occupied territory and behind the German front lines.

They urged the peasants to resist and offered the German soldiers justice if they surrendered, using the leaflets as passes through the Russian lines.

The Moscow radio said German soldiers already were surrendering and presenting the leaflets to Russian sentries.

Burma:

RANGOON, Burma, Feb. 16 (U. P.).—British forces defending Burma were reported today to have withdrawn to stronger lines close to the key railroad town of Thabon, following a heavy Japanese attack.

The exact positions of the defense forces were uncertain, but the Japanese drive appeared to be pounding close to Thabon, which is less than 75 miles from Rangoon, and may have reached that town.

This indicated that the Salween defense line had been cracked seriously, and perhaps unhinged at one or both ends of the 30-mile river front between Martaban and Paan.
