Without Painful Backache

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up tonight, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

RUSSELL KING IS DEAD AT 74

Served Charles Fairbanks As Secretary; Engaged In Coffee Business.

Russell King, 4152 Winthrop ave., died yesterday at St. Vincent's hospital. He was 74.

Mr. King was secretary to Charles W. Fairbanks when he was U. S. senator and later vice president. He was a native of Des Moines, but had lived here most of his life. He was a graduate of Indiana university, class of '89.

Officer of Coffee Firm

Thirty years ago he became associated with his brother, Lucien King, in the coffee business and was secretary-treasurer of the King Coffee Company, Inc., here until his retirement in 1929.

Survivors are a son, Addison of Indianapolis; two brothers, Hoyt of Wilmette, Ill., and Lucien of Indianapolis; two sisters, Miss Abby King and Miss Katherine King, both of Santa Barbara, Cal., and two grandchildren.

Mrs. Kurrasch Rites Scheduled

FIGHT the War! BUILD the Production! FINANCE the Victory!

THE WINNING of this grimmest of all wars, as every citizen knows, calls for a triple-offensive against a powerful enemy. Americans must fight the war, build the production, and FINANCE the Victory. Let two—or even one—of these objectives fail and the cause is lost.

International Harvester, therefore, takes the keenest pleasure in announcing, in behalf of its employees, an outstanding participation in the purchase of United States Savings Bonds.

More than 98.2% of Harvester men and women all over America—52,187 of them as this statement goes to press—are buying shares in America and a financial interest in the Victory America fights for. They believe it's the best investment their money can buy.

Today, almost all operating units of International Harvester—thanks to these loyal and patriotic employees—hold the Treasury Department's special merit certificate.

The Harvester Company was one of the first organizations in the nation to be designated by the Treasury Department as an issuing agent for the sale of Defense Bonds, Series E. It has made available to employees, for this purpose, the machinery of the Employees Savings Plan which was already in full operation. In addition the company provides a safe-keeping service under which all bonds purchased are deposited with designated custodian banks and held subject to the order of the employee-owners.

The response in the Harvester organization, has been an inspiration from the outset.

Harvester men and women are buying a bigger and bigger share in America—buying not just once, but regularly.

Harvester people, building an ever-increasing volume of war materials on their daily jobs, have seen 2500 of their number off to fight the war itself. Their spirit and their will, expressed in ACTION, give assurance that America's all-out drive SHALL NOT FAIL.

INTERNATIONAL HARVESTER
