MILWAUKEE, Wis., Oct. 7 (U. P.)—If a rooster crows in suburban Wauwatosa after midnight tonight, it will be against the law. The city council, in a move to protect sleeping war workers, enacted an ordinance making it unlawful for roosters to sound their early morning reveille. Owners of the offending fowls must pay \$1 to \$15 or serve one to 15 days in jail.

## Beware Coughs That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back.
