

On Display on Our Sixth Floor . . .

PRECISION-BUILT PARTS USED IN ARMY AND NAVY PLANES

**Direct From the War Plants of the
DREXEL FURNITURE COMPANY**

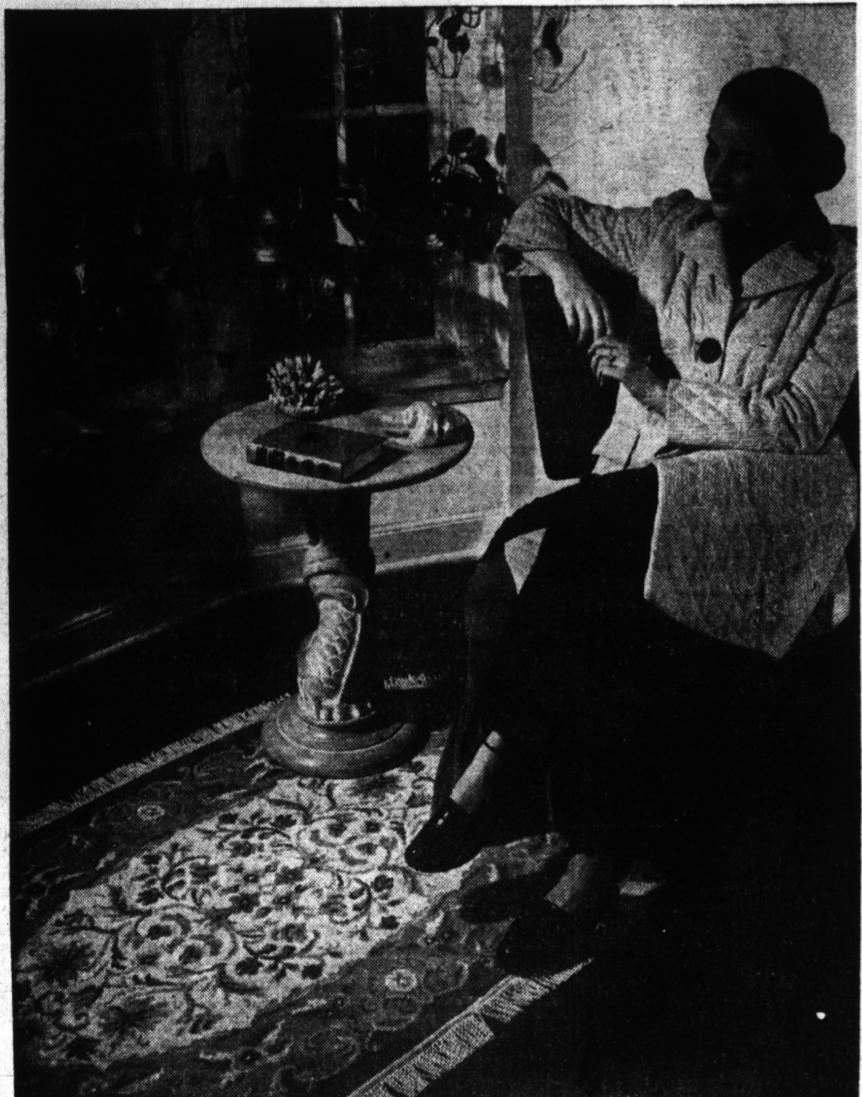

SEE how one of America's leading furniture manufacturers has gone to war! SEE airplane struts and wings . . . SEE structural parts . . . SEE precision-built laminated supports and stretchers whose dimensions are correct to the ten thousandth of an inch.

Drexel craftsmen built them . . . the same skillful, experienced cabinet makers who shaped and dovetailed, fitted and polished fine bedroom and dining room furniture for you before Pearl Harbor.

**Dear Sir . . .
Here Is Your**

Spring Topcoat . . .

Here is the topcoat you'll wear this spring . . . and many springs to come, because you know it's right. The fabric is what you'd expect . . . the best at the price. The tailoring is A-1, designed to fit your every move comfortably and smartly. The colors and patterns are just right . . . in the very best taste. And you know from past experience that the price is right. Here it is, sir, see it at the first convenient moment.

**Ayres' Complete
Men's Store**

32.00 . . . the all-purpose gabardine—right for every occasion, every kind of spring weather. Also priced at 42.50, 55.00, 68.00 and 79.50.

35.00 . . . the tweeds—colorful, wearable and extremely smart for a spring when a little pick-up in spirits is necessary.

39.50 . . . the coverts—sturdy and staunch, and very desirable. Also at this price are the famous Kenneth MacKenzie topcoats of imported hand-loomed Harris Tweeds from the Outer Hebrides of Scotland.

50.00 . . . the hand-woven shetland tweeds—wonderful colors, good, long wear, complete comfort.

65.00 . . . imported coats from the British Isles, with the immaculate, traditional English tailoring. Also 72.50.

90.00 . . . KASHMIR the aristocrat, wonderfully soft and luscious fabric that wears like a dream. If you can afford it, you can't afford to be without it. Also 100.00.
