

FRANKIE AND HIS FRIENDS

Dear Jack and Lard—

Scotland Yard Balks Plan Of 3 'GIs' to Adopt Baby

LONDON, April 7 (U. P.).—The efforts of three American "GIs" to promote Anglo-American good-will by "adopting" a London baby have been balked by Scotland Yard, it was revealed yesterday.

The three soldiers walked into the crowded lobby of the Rainbow Corner, one of the most popular Red Cross clubs in London yesterday. In their arms they carried a three-months old baby in a basket.

"Don't look at me that way," one of the soldiers told Mrs. Helen Eting, of Boston, Mass., the program director.

"This is just a poor lonesome baby we picked up because its mother didn't want it," he said. "We'd like to contribute monthly to give it a good home."

The men said they had been asked in for a spot of tea by an English woman they met in a cafe and that they heard the baby cry.

"The mother said she was tired of the baby and it got on her nerves," the three Americans explained, "so we figured we would give it a good home."

As Club Director Mrs. Harvey Gibson of New York City was carrying the baby around the club wondering what to do, policemen arrived.

They thanked the soldiers politely for their interest but explained that the baby belonged to the police and that the mother was being investigated.

With traditional reticence Scotland Yard declined to reveal the names of the would-be good samaritans.
