

VICE ADM. RODGERS  
DIES AT BETHESDA

Bethesda, Md., navy medical center yesterday after an illness of several months. He was 84.

WASHINGTON, May 8 (U. P.)—Vice Adm. William L. Rodgers, retired, commander-in-chief of the Asiatic fleet in 1918, died at the forces of the Atlantic fleet in 1918.

TECHNICIANS SOUGHT  
FOR NAVAL RESERVE

A recipient of the navy cross for his service in world war I, Rodgers became commander of supply forces of the Asiatic fleet in 1918.

Lt. (jg) Charles R. Harp, USNR, will interview electrical, mechanical and chemical engineers for commissions in the naval reserve from

the rank of ensign to lieutenant commander today, tomorrow and Wednesday at 120 W. North st.

Men under 45, who are not now employed in essential industry or by governmental agencies, and who are physically qualified and have technical education may apply.
