PROMINENT TRANSFER MAN
THANKS RETONGA FOR
PROMPT RELIEF

MR. T. W. JORDAN

He Eats, Sleeps and Feels Like Different Man Now, States Mr. Jordan. Cramps in Muscles, Distress From Indigestion and Sluggish Elimination Promptly Relieved.

Among the hundreds of well known residents gratefully praising Retonga for the prompt and satisfying relief this noted herbal stomachic and Vitamin B-1 medicine brought them is Mr. T. W. Jordan, of Route 5 Box 457, Atlanta, Ga., who was widely known in the transfer and trucking business for 20 years before he retired. Distressing Retonga, Mr. Jordan happily stated:

"For several years past it seemed to me that I suffered nearly every waking moment. Cramps in my arms and legs were so bad at times I could hardly even sleep at night. I suffered a lot from gas in my stomach, and although I tried to

be careful of my diet at times all food seemed to disagree with me and cause trouble. I had to take a laxative almost every day, but even then I suffered from constipation and swimming headaches. I tried several medicines and treatments, but none seemed to help much. "Retonga began to give me relief almost from the first day or two. I took four bottles and I now feel like a different man. I eat without fear of gas and indigestion; I sleep fine, and the cramps are completely relieved in my muscles. The sluggish elimination also is relieved. Retonga gave me more satisfaction than anything else I tried put together. It is far ahead of any medicine in my experience." Retonga is a purely herbal gas-relieving tonic combined with liberal quantities of Vitamin B-1 and is intended to relieve distress due to Vitamin B-1 deficiency, constipation, insufficient flow of digestive juices in the stomach and loss of appetite. Retonga may be obtained at all Hook's Dependable Drug Stores.

Probe Promised In Jon Hall Case

HOLLYWOOD, Sept. 6 (U. P.)—The Los Angeles county grand jury today expressed an interest in how screen hero Jon Hall got the end nearly wrenched off his nose in the battle of Tommy Dorsey's balcony early last month and promised an immediate investigation.

The grand jury said it wanted to find out how Hall got his nose cut on a flower pot, as Dorsey contended, and why the genial gentleman of swing got so mad he attempted to dump Hall over his balcony railing.

Dorsey said the battle started when Hall returned to his apartment for a purse belonging to Jane Churchill, which the singer mislaid when she left a party at the band-leader's home.

Hall, Dorsey said, patted his wife, the beautiful Pat Dane, and that touched off the brawl.

From there on, according to the principals, things happened so rapidly that it was impossible for them to keep abreast of developments.

Hall said he was jumped by someone wielding a knife or a broken bottle and nearly lost the end of his nose. Dorsey insisted that he must have injured it on a geranium pot.
