### BATTLE OF BERLIN IS WON IN OREGON

BERLIN, Ore., Oct. 12 (U. P.).—Residents of Berlin have won their battle against the name of the village being changed without their consent which had been proposed by Maxwell Anderson, New York playwright, and other non-residents of the community.

A delegation of petitioners, admittedly not proud of the name, which it got by accident in the first place, appeared before County Judge E. G. Arnold to protest a tentative order he had issued authorizing Distomo, the name of a

Greek village wiped out by the Nazis, as Berlin's new monicker. The Berliners were indignant because they had not been consulted in the move which was started by Carl Curlee, secretary of the Albany Chamber of Commerce, and Anderson, an action which was possible because Berlin is not incorporated.

Judge Arnold told the delegation he would take no action which did not meet the approval of Berliners—indicating the 50-year-old name would remain unchanged.

**THERE'S NO MYSTERY** about the rich, matchless flavor of Hills Bros. Coffee. It's just a matter of maintaining standards. First, we choose only the finest coffees obtainable. Second, we roast every berry to perfection. None overdone. None underdone. Such perfection is achieved by \*Controlled Roasting—our exclusive process which roasts just a few pounds at a time, evenly, continuously. Speed of operation and temperature are controlled with an exactness that eliminates the variations of roasting in bulk. The result is matchless uniformity of flavor and richness. This goodness is yours to enjoy in every vacuum-packed jar of Hills Bros. Coffee you buy... quality that makes you say—  
"Now that's what I call good coffee!"
