DR. SCHOLL'S LAMINEX Plastic ARCH SUPPORTS

Feet Hurt? Do you have any of these symptoms?

Tired Foot Rheumatic-like Foot and Leg Pains
General Fatigue Lower Back Pains Hip Pains
Cramped Toes Shoulder Pains Sore Heels
Excessive Foot or Leg Fatigue Tender Burning Foot

Often these are symptoms of weak or fallen arches. Your feet may appear well arched... the discomforts you experience may be remote from your feet... yet you may have a foot weakness.

Dr. Scholl's LAMINEX Plastic Arch Supports are entirely new... no leather, rubber or metal. They weigh less than 2 oz., yet provide the proper support for your feet need. This smooth plastic arch support helps reposition the body's weight on the three weight-bearing points of the foot. They are available in 618 various fittings. Come in for a trial fitting and a Free Foot Test.
