Mrs. F. G. Balz Addresses Law Club Session

Election day will determine woman's political acuteness, Mrs. Frederick G. Balz said at a meeting yesterday afternoon of the Robert's Parliamentary law club in the auditorium.

"This is our opportunity to safeguard and underwrite our American principles so strongly through our ballots that these principles cannot be challenged again in our generation," she said. Mrs. Balz is a candidate for re-election to the Indiana general assembly.

The candidate stated that a large responsibility has been placed upon the shoulders of the women in the coming election since 65 per cent of all the qualified voters this year are women.

"Of the three branches of government there is none more important than the legislative," Mrs. Balz pointed out.

"Women are peculiarly fitted to serve their state and nation in this branch, but there is no place on the floor of either chamber for any woman who thinks that charm rather than preparation will see her through," she added.

A Coiffure Smooth as a Song

Gloria Scott, the Indianapolis girl who went to Hollywood and made a brilliant network debut as Nelson Eddy's singing guest on the Electric Hour, wears a Lilly Dache net to gain a smooth, smart coiffure.

The band of velvet ribbon across the top of her hair, adds to the sleek effect. The net, smooth, of Chinese red, combined with matching ribbon and flowers, gives a bright touch of color to her beige tailored suit.

Miss Scott's two successive performances on the Electric Hour brought such a flood of fan mail that she returns to that program tomorrow night and may be heard at 9:30 o'clock, Indianapolis time, over station WFBM. She is the daughter of Mr. and Mrs. Jake Fels.
