Because your suit needs sauc...

Smart little bows trim this semi-tailored
suit front which opens down the front
like a blouse. In beautiful gold colored
rayon crepe.

A butterfly bow gives a winged ap-
pearance to this rayon sheer suit front.
The color of American Beauty roses;
and just as refreshing.

3.50

When you feel frivolous, wear the do-
fatchable bow. When you feel tailored,
remove the bow and you have a plain
tucked front and plain round neckline.
In chartreuse crepe.

STOCKINGS

Wear a Chartreuse lace suit front
with a dainty V-neck, fluffy revers
and a tiny collar. It acts like vita-
mins on sober suits.

Because you love nice things...

1.01

You can rely on these sheer rayon stockings for wear, fit and
style correctness. Look for the Van Raalte Flextoe, an exclusive
Van Raalte feature. Its mesh panels prevent toe strain and thus
insure better fit, greater comfort and longer wear. They have
good fitting heels and fine seams, too.

P. S.—Ask for Cadette, the go-with-everything shade shown here.
