Chapped lips—so cruel, and painful! Caused when raw, bitter weather dries skin cells, leaves them "thirsty." Skin may crack, bleed. Mentholatum is the answer: (1) Soothes dry, chapped lips. (2) Helps revive thirsty cells so they can retain needed moisture. For sore, chapped hands, lips—Mentholatum. Jars, tubes, 30¢.

## Politics

BY EARL RICHERT

SOME CHIT-CHAT:

G. O. P. Senator Raymond E. Willis is not being given much of a chance to run renomination in 1946 by the boys who gather at the Claypool hotel to talk Republican politics. They predict a battle royal between the new short term senator, William E. Jenner, and James M. Tucker, former secretary of state, giving the edge to Mr. Jenner. Incidentally, Senator Jenner did not run.

Keep Germans Under  
Control.

PARIS, Nov. 14 (U. P.)—The reported plans for placing France on a par with Britain, Russia and the United States in European post-war affairs were believed today to include provisions for French participation in the occupation of Germany and strict control of the Reich's industrial Rhineland and Ruhr.

Authoritative sources said the necessity of internationalizing Germany's heavy industrial belt was agreed upon by Prime Minister Winston Churchill and Gen. Charles de Gaulle as a means of depriving Germany of resources of even making war again.

The plan, it was understood, calls for control of the Ruhr and Rhineland industries by an international commission composed of Britain, France and presumably the United States and Russia.

Because he has twice proven to be the best individual vote-getter in either party in the state, Democratic leaders predict that Governor Schricker will be drafted to run for the senate again in 1946, regardless of his personal wishes. The governor will be 63 then. The senatorial candidate will head the 1946 ballot and the Democrats want their strongest possible candidate at the top of the ballot.

County clerks, Democrats and Republicans alike, are expected to put up a bitter battle against the legislation to be proposed by the election law codification committee to take registration out of the hands of the clerks. The clerks get 4 cents a name for every new registration or transfer in addition to other money appropriated for registration purposes by the county. Republican leaders want to place registration under a bipartisan commission, composed of one member appointed by the Democratic and Republican county chairman, respectively, and a member appointed by the circuit court judge.

Raymond P. Murray, local lawyer and Democratic nominee for state senator, led the Democratic legislative and county ticket, receiving 108,019 votes. Circuit Judge Earl R. Cox was second high man on the Democratic side and Virgil Fox, candidate for the legislature, was third high. Congressman Ludlow, the only Democratic winner in the county, led the entire ticket, of course.
