JANE JORDAN

DEAR JANE JORDAN—I was married at the age of 16 and had two little girls. My husband deserted me and the girls became wards of the court and were adopted. About a month ago I received a letter from the youngest one, who is 19. She sent me the address of the other girl, who is 23. I wrote to both and received no answer. I believe someone got their letters and they didn't see them. Is there any way I can let these girls know where I am? I haven't seen them for 18 years.

B. M.

Answer—Write again to both. I doubt very much if both letters were confiscated. The older girl is
