

STRAUSS SAYS: — — — IT'S ONE DAY NEARER VICTORY

THE CAUSE OF
THE
"EXCITEMENT"—
is not a Sale—
It's the high-lighting
of outstanding values
—In fine wearables
and gift accessories
—It's the impulse to
get right down to
Christmas Shopping
early—earlier than
in previous years—
which sets off a
tremendous buying
wave.
Try Morning Hours—
If you conveniently
can.
