

FLOOD CONTROL GIVEN 'GO SIGN'

Bill Now Being Drafted by Ewing Emission of Vincennes.

Legislation to create a permanent state flood control and water resources commission with authority to direct projects has been given the "go sign" by the Republican legislative policy committee.

A bill to set up the commission is being drafted by Ewing Emission, Vincennes, chairman of the present flood control commission which has only advisory powers.

This legislation was recommended by Governor Gates in his message to the legislature.

Need Is Stressed

The need for flood control has been stressed by civic leaders and engineers who have estimated annual flood losses in the state at close to \$3,000,000.

The proposed new commission would be empowered to hire a chief engineer and a full-time staff.

The G. O. P. policy committee also endorsed in principle the Indiana department of the American Legion, providing for creation of a state department of war veterans' affairs to conduct a rehabilitation program for returning soldiers.

Decision Deferred

The policy committee deferred a decision on a Legion-sponsored bill now in the house to appropriate \$2,500,000 for three new Legion headquarters buildings on the War Memorial Plaza.

Legion spokesmen warned that the national headquarters might be moved from Indianapolis if funds are not available for office expansions.

ENGINEER OVERCOME BY MONOXIDE FUMES

Harvey Roepke, 49, of 1434 Fletcher ave., a yard engineer for the New York Central railroad, was recovering today from the effects of carbon monoxide poisoning.

While he was thawing out a bearing yesterday under a locomotive at Union Station, live coals from it were dumped near him. Fumes from the dunders evidently contained carbon monoxide, police said.

He was found unconscious by fellow-workmen and revived by a police emergency squad with the aid of an inhalator.

VIOLATION OF RENTAL CEILINGS ALLEGED

Former county clerk Charles Ettinger, 5790 E. Michigan st., yesterday was charged with violation of OPA rental ceilings.

A suit filed in Superior court 3 on behalf of the OPA alleged Mr. Ettinger and his wife overcharged tenants in a building owned by them at 817 Muskingum st.

The OPA charged the Ettingers with collecting \$12.50 per unit from tenants which, according to the OPA, is \$3.50 above the rental ceiling for the property.

The suit also named the J. G. McCullough agency, 106 N. Delaware st., agent for the Ettingers, as co-defendant.

MACHINERY SAVED IN 2-ALARM FIRE

Machinery that escaped damage permitted the Commercial Sandblast Co., 1112 Deloss st., to operate as usual today following a two-alarm fire that developed a few minutes after the firm had closed its doors last night.

Carl E. Most, 3164 Washington blvd., proprietor, was unable to estimate the loss which is fully covered by insurance. The fire swept the back of the firm's quarters and was of undetermined origin.

Red Cross Card Is Valentine Idea

NEW YORK, Feb. 1 (U. P.).—Three service wives had a new idea in Valentines today.

They sent the usual lace-and-love cards to their husbands, but they added a card from the Red

Cross blood donor center saying they had just donated pints of blood.

"We figure it's straight-from-the-heart stuff," Mrs. Amy Lawton McKay, one of the wives, said, "The real thing."

COUPLE TAKE CHARGE OF ORPHANS' HOME

FT. WAYNE, Ind., Feb. 1 (U. P.).—Mr. and Mrs. Richard Sunder-

man, Wadsworth, O., today started their duties as superintendent and head matron, respectively, of the Ft. Wayne orphans' home. They replace the Rev. and Mrs. Nathaniel Stenecker, who recently resigned.

HICKS TAKES REINS AS REALTY LEADER

Wendell M. Hicks was installed president of the Indianapolis Real Estate Board at the organization's annual banquet last night.

Retiring officers were presented with gifts and other new officers were installed. A dance and bridge party followed the dinner at the Indianapolis Athletic club.

Carl G. Seyter was installed as vice president; Bruce C. Savage, secretary, and C. O. Grinslade, treasurer.

To help feel your best—

IT'S VITALLY IMPORTANT TO KEEP PROPER IRON LEVEL IN THE BLOOD

One-ounce dish of KELLOGG'S All-Brn gives over 1/3rd your daily minimum iron needs

EVERYONE, young or old, needs iron constantly to help keep up the "iron level" in the blood—to help keep vitality up to par.

The best place to get iron is in foods. But—there are only a few foods that have a significant amount of iron. Thus, your diet can be lacking in iron without your knowing it—and your "iron level" may decline.

Fortunately, there is one everyday breakfast cereal that is a rich, inexpensive source of readily assimilable iron. It's KELLOGG'S ALL-BRAN, which actually gives you more available iron than spinach. And, in addition to iron richness, this nut-brown, crunchy breakfast cereal is an important natural source of calcium, phosphorus, and vitamins B, B₆ and niacin. That's because ALL-BRAN, produced by Kellogg's in Battle Creek, is made from the vital outer layers of finest wheat.

KELLOGG'S All-Brn is made from the VITAL OUTER LAYERS of finest wheat

you know that the skin of a potato and the peel of an apple are richest in vitamins and minerals. In the vital outer layers of wheat, too, Nature stores one of the grain's most important nutrients. ALL-BRAN is made of these vital outer layers and is so abundant in many food elements that whole heat itself.

America's Great Regulating Cereal

In addition to being a storehouse of iron and important elements, famous KELLOGG'S All-Brn is Nature's great REGULATING CEREAL. It's eat it regularly. It's America's most widely regulating food. Just a one-ounce serving is usually adequate for satisfactory regulation. ALL-BRAN does not interfere with normal digestion. It's triple-milled for golden softness. Your family gets a good start on its iron and other important food from KELLOGG'S ALL-BRAN regularly.

DONOR OF 7 PINTS OF BLOOD

MORE BLOOD DONATIONS NEEDED NOW

Miss Edith Jane Meyer, 835 Trinity Ave., Bronx, N. Y., gave her first pint of blood on her 21st birthday, two years ago. To date, she has donated 7 pints. Other patriots are urged to donate blood for urgently needed plasma. Fluid part of the blood is restored in a few hours. Maintaining the body's proper "iron level" helps to rebuild the red corpuscles.
