Miss McKeown Is Bride of Naval Officer

The Kappa Alpha Theta sorority house at Butler university was the scene yesterday afternoon for the wedding of Miss Elizabeth McKeown and Ensign Donald Bruce Scott.

Dr. Jean S. Milner read the ceremony at 4:30 o'clock. The bride is the daughter of Mrs. E. K. McKeown of Marion and the bridegroom's parents are Mr. and Mrs. Charles F. Scott, Baltimore.

The bride wore candlelight satin made with a fitted basque, scalloped peplum and a bouffant skirt forming a train.

Her two-tiered fingertip-length veil was held by a seed pearl tiara and she carried gardenias and stephanotis centered with a white orchid.

Her attendants wore bouffant taffeta frocks. Miss Ann Shuttleworth, Canton, O., was the maid of honor and wore yellow while the bridesmaid, Miss Barbara McCurdy, Kokomo, was in turquoise.

Mr. Scott was his son's best man after a reception the couple left for a wedding trip east.

The bride attended Sweet Briar college, Chevy Chase Junior college, and Butler university where she was a Kappa Alpha Theta member.

Ensign Scott is a graduate of the University of Virginia and a member of Delta Tau Delta fraternity.

1,000,000,000 Tampax have already been sold

Users are certainly increasing fast for this internal method of monthly sanitary protection . . . Have you been converted yet?

One billion—a thousand million—that's quite a lot of Tampax. And it shows how the modern woman will really go for an improvement once she finds out about it. Tampax has been on the market only a few years, yet you can buy it in every town in the country, no matter how small or remote that town may be.

How has this been accomplished? Well, at first only a few women cared to make the revolutionary change from the external belt-pin-pad harness to the newer internal Tampax method. But soon they told their relatives and friends. The good news began to spread . . . and today millions use

Tampax for its comfort, for its quick convenience and for the lift it gives to their morale. With Tampax they can feel safe from detection, because no odor can form and there are no bulges or edge-lines to show through the clothing.

Invented and perfected by a doctor, Tampax is made of pure surgical cotton, compressed in neat throw-away applicators for quick and dainty insertion. Quick changing; easy disposal. . . . Buy Tampax at drug stores and notion counters. A whole month's supply (average) will slip right into your purse. Tampax Incorporated, Palmer, Mass.
