CONFIDENTIALLY ARE YOU A HAS-BEEN?

Your age may have nothing to do with it. That lack of drive, that run-down feeling which makes work a burden, and holds you back from enjoying pleasurable activities with your family, may be Nature's warning signal that you lack certain organic materials and vitamins vital to everyone. Thousands everywhere who suffered from this distressing, discouraging condition have discovered that TRO-MONY—containing scientific dosages of Vitamin B1, Calcium, Phosphorus and other ingredients of special value in such cases, have discovered it has given them new vim, new energy. The tonic effect of TRO-MONY may prove it is the answer to that weak-tired-out, "older than you should be" feeling. At Hoot's Dependable Drug Stores and drug stores everywhere.

WAR STAMP BUYING ACTIVE IN SCHOOLS

Patriotic school children are setting the pace for their elders in the purchase of jeeps and ambulances. Pupils of school 14 have purchased sufficient war stamps since September, to cover the cost of a fifth ambulance and have pledged themselves to buy another by the end of the semester in June. Students of art in the school made a huge model ambulance and gauge to measure the stamp sales. Mrs. Harold Ginsberg and Mrs. Al Dufek, war service chairman, used the model yesterday at a parent-teacher meeting to enlist support for the ambulance drive. John Thornburgh is school principal.

Rides in a jeep for 451 pupils of school 28 marked the fulfillment of their pledge to invest \$1200.05 in war stamps. Miss Jessie Russell is principal.

At school 76 pupils marked V-E day by buying stamps totaling \$3400 in value. Miss Belle Ramey, principal, reports that 92 per cent of the children enrolled in the school aided with the campaign.
