## 'Bogart, Screen 'Tough Guy,' To Marry 'Baby' May 22

HOLLYWOOD, May 11 (U. P.)—Screen toughie Humphrey Bogart and sulphurous Lauren Bacall confirmed today that they will be married May 22 on the Ohio farm of Louis Bromfield, author.

The ceremony, to be witnessed only by the Bromfields and Miss Bacall's mother, Mrs. Natalie Bacall, culminates a highly publicized romance for Bogart, 44, and "Baby," his 20-year-old leading lady in two recent pictures.

It will be his fourth marriage, her first.

The former Mayo Methot, whom

Bogart nicknamed "Sluggsy" because of the public and private fights that punctuated their six-year marriage, was granted a divorce in Las Vegas, Nev., yesterday.

"It was a very pleasant marriage," said Miss Methot, although she charged Bogart with inflicting extreme cruelty, great mental suffering and impairment of her health. She denied reports that she planned to remarry.

Bogart did not contest his wife's divorce petition, which said that a property settlement had been arranged. Reports were that Miss Methot won considerably more of their joint property than Bogart was required to give her.

Bogart's former wives, in addition to Miss Methot, were Mary Phillips and Helen Menken.

## SAYS YANKS SOON TO ENTER BERLIN

By UNITED PRESS  
Bill Slocum Jr., Columbia Broadcasting system correspondent with the American 9th army, reported today that "pretty soon I expect a magnificent display of United States military might to roar down Unter Den Linden as we send a token force into the ruins of Berlin."

Slocum's radio report from the American sector nearest Berlin continued:

"I am told that it has been decided that this historic entry of thousands of Americans into Berlin will not be covered by American newspaper or radio reporters. There is a great mystery surrounding this story. There are some mentions of Russian refusal to permit our reporters to accompany American troops. But those of us who have had occasion to mingle with the Russians are just a trifle cynical about this rumor. Whenever we get with the Russians our biggest problem is getting away from them. They like us."

"In any event, at the moment it seems there will be no Americans around to record the entry of Yankee troops into Berlin."
