

JANITOR SHOTS YOUTH IN ARM

Willie Summers, 49, Held On Assault Charge.

A 17-year-old boy is in a serious condition today after the janitor of his apartment shot him and attempted to shoot other members of his family yesterday.

The youth, Thomas Miers, and his parents, Mr. and Mrs. Clarence Miers, are tenants in the Kirkwood apartments, 508 E. Michigan st.

The janitor, Willie Summers, 49, who lives in a basement apartment, shot at the Miers family after they had asked him to quiet a disturbance upstairs, police said.

Mr. Miers said they called Summers to complain about the noise in an upstairs apartment. Then Summers left saying, "I'll do something about it," Miers reported.

When he returned a few minutes later at the head of the basement stairs, he drew a pistol and started firing at the family, police said.

Complained of Noise
The first shot struck Thomas in the arm. The second time Summers pulled the trigger, the pistol failed, Miers declared.

Present with Thomas and his parents was the youth's brother, Clarence Jr.

Summers has been charged with assault and battery with intent to kill.

DIES IN MONON HOME
MONON, Aug. 29 (U. P.).—Charles H. Murray, 65, former White county treasurer and Monon business man, died in his home yesterday following a heart attack.

Sister Is Notified of Local G.I.'s Release From Jap Prison

Sgt. John E. Rowland, brother of Mrs. W. O. Dannenberg, 5311 N. Illinois st., is the first Indianapolis soldier to be liberated from a Japanese prisoner of war camp since the war ended.

A survivor of the death march on Bataan, Sgt. Rowland was captured in May, 1942. He was first interned in the Philippines and then moved to Camp Hoten, Mukden, Manchuria. He was a member of the 192d tank battalion.

His mother, Mrs. Hazel Rowland, Westerville, O., was notified by the war department yesterday that her son was on the Aug. 26 list of personnel freed from Camp Roten.

Relatives here had received no word from the sergeant until a year and a half after he was taken prisoner. Then they heard he was in Manchuria. The most recent message was received from him on July 5, and told them he had received Red Cross supplies of food and medicine. The message was typewritten but was signed by him.

The notification of his liberation was signed by an American commander and not by the Japanese. Mrs. Dannenberg said that she had already sent a message to her brother in Manila.

Col. Napoleon Boudreau Freed From Prison Camp

The second Indianapolis man to be reported freed from a Jap prison camp is Col. Napoleon Boudreau, foster father of Mrs. Mabel Boudreau Long, formerly of 939 N. Tacoma st. He had been a prisoner since the fall of Corregidor.

Col. Boudreau surrendered with Gen. Jonathan M. Wainwright. He commanded Ft. Wint in the Subic Bay area until the Japanese troops

Sgt. John E. Rowland... first Indianapolis soldier to be liberated from a Jap prison camp since the war ended.

forced his men to retreat to Ft. Frank on Bataan.

He was freed from a camp in Mukden, Manchuria, but he had been held in Formosa until September, 1944. Col. Boudreau had reported for duty in Manila May 1, 1940.

His wife, Mrs. Myrtle Boudreau, formerly of 3124 Washington blvd., now lives in San Leandro, Cal.

Pvt. Leon Campbell Freed From Mukden Camp

Pvt. Leon Campbell, son of Mr. and Mrs. Wilbur H. Campbell, 531 S. Laclede st., who was captured on Bataan, was liberated last Sunday from Camp Hoten, Mukden, Manchuria, according to a list of personnel released by the war department.

His family has never heard directly from Pvt. Campbell since his capture. Two years ago a prison camp card from the Japanese in-

DIES WHILE ARM IS BEING SET

7-Year-Old Girl Suffers Injury at Play.

Joan Beyer, 7-year-old daughter of Mr. and Mrs. John Beyer, 1850 Singleton st., died last night at St. Vincent's hospital because of acute heart dilatation while under anesthetic to have a broken arm set.

The cause of death was determined by Dr. Carl Habich, deputy coroner.

Doctors declared the heart reaction could happen to any one, but that it occurred only approximately once in 10,000 cases. Joan had never shown any heart weakness, according to her parents.

Fell While Playing

The child was playing "dress-up" yesterday with a little friend when she tripped over the lengthy folds of her adult dress, suffering a compound fracture of her right arm, police said. She was immediately taken to the hospital to have her arm set.

She would have been in the second grade at Sacred Heart school next month.

Surviving besides the parents are two brothers, John Jr., 9, and Charles, 5.

HITS PROFITS TAX

DETROIT, Aug. 29 (U. P.).—Senator Homer Ferguson (R. Mich.) urged the government today to abolish the excess profits tax and left all wartime controls.

formed his parents of his location and was signed by him.

He is the brother of Mrs. John Daughette and Mrs. D. A. Faltie, Indianapolis.

5000 Newspapers Founded in Indiana

Times Special
BLOOMINGTON, Aug. 29.—Since Elihu Stout founded the Indiana Gazette at Vincennes in 1804, no less than 5000 newspapers have been founded in Indiana.

That estimate was made by Donald F. Carmony, executive secretary of the Indiana university center for the South Bend-Mishawaka area. Uncompleted research done by the late Dr. Logan Esarey, Hoosier historian, refers to over 3000 different Indiana papers prior to 1910, according to Dr. Carmony.

That excludes the press since the eve of world war 1, Dr. Carmony said.

Dr. Carmony, writing in the current issue of the Indiana Quarterly for Bookmen, asks for a better collection and preservation of Hoosier newspaper files on the grounds that Indiana has a great heritage in its papers and periodicals.

The unrealized value of newspapers to the writing of history he states, is found in the establishment of chronology; the reflection

of public opinion; the detail of social, economic, and political life; and as a source from which to recreate the spirit and atmosphere of the past.

KEEP SHOE RATIONING

WASHINGTON, Aug. 29 (U. P.).—Price Administrator Chester Bowles said today that shoe rationing will continue until shoe production is adequate to meet the nation's requirements.

HOPES TO BEAT 1937 EMPLOYMENT PEAK

NEW YORK, Aug. 29 (U. P.).—Eugene G. Grace, president of Bethlehem Steel Co., has estimated that his company will employ 60 per cent more persons in the post-war period than it did in the peak pre-war year. The company's employment, he said, will total some 160,000 persons compared with 100,000 in the top pre-war year of 1937. The wartime employment peak was nearly 300,000 people in the last quarter of 1943.
