COUNTY BUDGET TO BE CUT MORE

**Parry Promises Further
Paring of Expense.**

Further cuts in the 1946 county budget were promised today by County Council President Addison J. Parry, at the close of the first week's study.

The \$3,812,628 request has been reduced already by approximately \$70,000, bringing the required tax rate to 53.8 cents from 54.8. This year's tax rate is 43 cents on each \$100 of taxable property. About 7 cents of the 1946 proposed rate will be necessitated by salary, raises or election expenses authorized by the legislature.

Budgets of juvenile court and detention home, criminal court and county commissioners still are to be studied. The council is hopeful that 3 cents in proposed tax rate can be reduced from these budgets.

The county budget will be given final approval Wednesday by the council, with the county tax adjustment board beginning its consideration Sept. 10.
