

## PUBLIC SPIRIT IN FUND IS LAUDED

Solicitors Impressed by Co-operation.

United War and Community Fund workers tell a heartening story after a full day of soliciting. The public is carrying out the spirit of the poster seen about town recalling the sacrifices of the soldiers who "gave" their all in the wars.

"Contributors, generally, are giving on the same generous basis as last year, and in many instances more generously," J. G. Sinclair, campaign chairman, reports.

"Indianapolis citizens indicate that they realize it is necessary to maintain last year's standard of giving if we are to make our goal of \$1,821,000 needed for the 70 agencies," said Mr. Sinclair.

**Leaders Heartened**  
Campaign leaders were especially impressed, after the first day of solicitation, with the enthusiasm of the 4000 volunteer workers, and the intensity of their effort to make the drive successful.

Many industrial plant solicitation committees for the fund were well along after the first day, and in some instances were preparing their records for a final report.

First actual reports on pledges will be made at a general campaign organization meeting tomorrow noon in the Claypool hotel, and it is expected that several hundred volunteer solicitors will be present. Progress reports by the general organization will be made periodically during the drive at meetings in the Claypool, with the final meeting scheduled for Tuesday evening, Oct. 23, the last day of the appeal.

**Women Active**  
Especially active on the opening day of the campaign were hundreds of women workers in the residential division, which is headed by Mrs. R. J. Hudelson, chairman.

Teams were busy ringing doorbells early, and by evening had made a good start on their promise to visit every home in Indianapolis and Marion county in the drive to meet their quota of \$80,285.

Some pre-campaign solicitations have been made by the residential division, but the main effort did not get under way until the official opening of the annual appeal.

The campaign appeal for the United War and Community Fund and will be the final one for war agencies.

## One Will Reign at Butler Dance

Back row—Margie Sellmeyer, Trianon; Velma Justus, Zeta Tau Alpha; Barbara Montgomery, Delta Delta Delta; and Dorothy Swickard, Alpha Chi Omega. Not present in the picture is Irma Blosser, Butler Independent association.

## Victory Loan Group of 116 Lays Industrial Drive Plans

Plans for the Victory loan canvass of plants and stores employing 25 or more people were being made today in Marion county by the volunteer payroll savings division group of the war finance committee.

At a meeting yesterday in the Claypool hotel, the group, under the chairmanship of J. Perry Meek, discussed plans for preliminary calls and for quota-selling in the campaign opening Oct. 29.

The speaker was Eugene C. Pulliam, state chairman of the war finance committee.

Mr. Pulliam thanked the 116 members of the payroll group for their efforts in other bond drives and emphasized that the Victory

loan "will be the last bond drive."

"Let's make it the greatest," he said.

Mr. Pulliam added that all the money raised by the Victory loan will be needed for returning veterans to America and to civilian life.

"This is the sole purpose of the drive," he said. "We owe it to our fighting men and women."

Other speakers were Warren McAfee, manager of the labor division of the war finance committee, and Eber M. Spence, state chairman of the payroll savings division.

A motion picture, "Diary of a Sergeant," detailing the life of a wounded veteran from battlefield to recuperation, was shown.

## TEACHERS PLAN STATE MEETING

Expect 15,000 at Convention Here Oct. 25.

L. T. Buck, of Evansville, president of the Indiana State Teachers Association, will give the inaugural address of the 92d annual convention of the association to open here Oct. 25.

More than 15,000 teachers throughout Indiana are expected to attend the two-day session. Henry C. Wolfe, international correspondent, author and lecturer, will speak at the Thursday evening session on "Searchlights on the Pacific." Following the address there will be lobby singing in the state house and a reception in honor of the association and state officials.

Thursday morning and afternoon there will be 44-departmental meetings.

**Committee Reports**  
At the Friday morning session committee reports will be made by Ira L. Huntington, secretary; Robert H. Wyatt, executive secretary; E. B. Hargrave, treasurer; Virginia Kinnaird, legislative; Gertrude E. McComb, resolutions; nominating chairman; John W. Wilson, executive, auditing; chairman; Forrest V. Carmichael, ethics; W. Monfort Barr, departments; Indiana teacher chairman; Frankie L. Jones, LaForte, is vice president of the association.

Mrs. Raymond Clapper, newspaper editor, radio commentator and author, will lecture on "Behind the Washington Scenes" at the Friday afternoon session.

John Charles Gilbert, actor, singer, theatrical producer and lecturer, will present "The Mirth of Gilbert and Sullivan."

Eleven hundred public school pupils from throughout Indiana will participate Friday night in a 30-minute program by the Indiana State Choral Festival association, of which J. Russell Paxton, music teacher at Arsenal Technical high school is president.

Preceding the musical program Dr. William Fielding Ogburn, scientific sociologist, author and University of Chicago professor, will speak.

The State Teachers association executive committee members who have planned the program for these meetings are:

John W. Wilson, Kokomo, chairman; J. P. Girard, Plainfield; L. T. Buck, Evansville; Richard Nussim, Gary; R. E. Hood, Oxford; Mary Gill, Michigan City; Charles Turpin, Ft. Wayne; H. E. Binford, Bloomington; Vance B. Collins, North Vernon; H. H. Mourer, Bedford; Arthur H. Hines, Richmond; Russell Julius, Indianapolis; John T. McElherr, Knox; Lila Gilbert, Garrett; R. B. Miller, Hammond; S. A. Beale, Marengo, and Mr. Wyatt, Indianapolis.

On Oct. 25 and 26 regional meetings of the state association will be held at Evansville, Gary, South Bend and Ft. Wayne. Approximately 2000 school people are expected to attend.

**BOY, 17, ADMITS HE HELPED IN BURGLARY**

A 17-year-old boy, arrested yesterday, admitted today that he acted as look-out for Eugene Jones, 18, when the latter robbed a filling station Saturday night.

Young Jones was shot while leaving another station the same night, police reported.

The 17-year-old, an Indianapolis resident, said both he and Jones had been working at Mare Island, Cal., and had returned to Indianapolis last Tuesday.

This contradicted Jones' statement that he had been in Bremerton, Wash., with his parents, and had committed the robbery to get transportation fare back there.

The 17-year-old boy also told police that he had tried to talk Jones out of robbing the filling stations, but to no avail.

Jones is in fair condition at City hospital with two shoulder wounds he received when Patrolman Ben Dillehay and John W. Logue fired at him as he was crawling from a window of a filling station at 2502 N. Delaware st.

**1000 Rabbits to Be Shown Here**

MORE THAN 1000 head of domestic rabbits have been entered so far in the Marion County Rabbit Breeder association's show to be held in the saddle horse barn at the State Fair Grounds tomorrow through Sunday.

Entries from all over the United States may make this the largest rabbit show ever held in the state, Robert M. Dodd, president, said. Twelve hundred dollars in cash prizes will be given and the rabbits will be judged by nationally-known experts.

Three breeds will hold national sweepstakes shows. The breeds are Silver Martens, Checkered Giants and Chinchillas. The show will be open each night until 11 o'clock and is open to the public.

**WIFE WANTS LAWYER TO LOSE NEXT CASE**

ATLANTA, Ga., Oct. 9 (U. P.).—Mrs. Walter C. Hendrix, wife of an Atlanta attorney, today was hoping with all her heart that her husband would lose his next case.

Her husband is Lt. Col. Walter C. Hendrix, who is to defend Lt. Gen. Tomoyuki Yamashita, the Japanese leader, in Manila, on charges of brutal atrocities against Americans and Filipinos.

## Patton's Need—An Eyedropper

BAD NAUHEIM, Germany, Oct. 9 (U. P.).—Gen. George S. Patton Jr., who once sought more tanks, ammunition and gasoline from the quartermaster, today had a new request—an "eye dropper."

Assuming command of the United States 15th army, a "paper army" which is studying American accomplishments in Europe, Patton said:

"I am so engulged with paperwork that the most essential piece of equipment I need is an eye dropper."

Asked how he felt about commanding a "paper army" after having led the 3d army dash through France, Patton laughed and replied:

"This is right down my alley. I've been a student of war since I was 7—that's when I decided to become a soldier."

**HARMONY TO RULE GOP HERE—GATES**

G. O. P. harmony will prevail in Marion county, Governor Gates told a Washington Township Republican club political rally last night at the Riviera club.

The governor said no local political goal should be allowed to puncture state or national Republican unity.

Asserting the G. O. P. in Indiana hoped to "place the government back into the hands of the people," Governor Gates said the term "liberal" as applied to Democrats is misused.

"These liberals, as they call themselves, are promoting the same sort of dictatorship in this country that our boys died for fighting on foreign battlefields."

During the session, all Marion county Republican ward chairmen and precinct committeemen took bows.

**JEFFERS IN HOSPITAL**  
LOS ANGELES, Oct. 9 (U. P.).—William M. Jeffers, president of the Union Pacific railroad and former national rubber director, was expected to be well enough today to leave Good Samaritan hospital where he underwent a major operation.

## PLANT SITE HERE IS CONSIDERED

Branch Syrup Factory May Locate in City.

Discussion began today which may make Indianapolis the location of a branch syrup manufacturing plant of the Dr. Pepper Co.

Announcement that Indianapolis is under consideration as a plant site came from Don C. Bryan, president of the Dr. Pepper Co., who met today at the Warren hotel with company executives and 50 bottlers from Indiana, Illinois, Michigan, Ohio and Kentucky.

The plant probably would be constructed within the next two years, Mr. Bryan said, and would supply syrup to plants in the five states.

At present syrup must come to this area from Birmingham, Ala. The plant would employ between 30 and 50 persons.

Other cities also being considered as locations for the new plant are Chicago and Louisville.

Indianapolis already has a Dr. Pepper Bottling Co. at 1302 E. Washington st., operated by R. H. Roark and associates and managed by Roscoe Sinclair.

**HESS CLOSELY GUARDED**  
LONDON, Oct. 9 (U. P.).—A close guard was kept over Rudolf Hess while he was in England because the Germans were reported planning to free him in the same manner Benito Mussolini was rescued, the London Daily Express said today.

Hess now is in Nurnberg awaiting trial as a war criminal.

## Young Model

Because she works as a photographer's model, nearly 3-year-old Cheri Rae Basler identified to her first social security card. She is the youngest holder on Milwaukee's social security list.
