A Picture of Winter Comfort!

You, too, can keep your home comfortably and evenly heated ... down to the floor where baby plays ... if you get COLONIAL'S "Radiant" Heater into the picture. Scientifically designed to get along on very little coal, it nevertheless gives all the heat needed to keep your rooms cozy and warm. Attractively styled, it is smokeless, gasless and clean, for the grate may be shaken without opening the ash door, thus avoiding ash dust all over the room. Start your fire now and, with very little watching, it will keep going all winter long. Yes ... we fully believe this to be the most efficient as well as the most economical heater at anywhere near the low price of
