Bisons Keep Hopes Alive In Playoffs

BUFFALO, N. Y., April 12 (U. P.)—The Buffalo Bisons, fighting back in the battle for the American Hockey League Calder cup, threatened to carry the campaign into the baseball season today as they trailed the Cleveland Barons, three games to two.

Buffalo put on its best performance of the series last night, toppling Cleveland, 6 to 1, before 9460 fans at Memorial auditorium.

The issue was settled in the first period when the Bisons scored twice. Thereafter the visiting Barons never had a chance.

The Bisons won with a six-bladed attack in which each goal was scored by a different player. It was the first time in the playoff series that they had looked like the champions they were during the regular season when they topped all of the clubs in both divisions in victories.

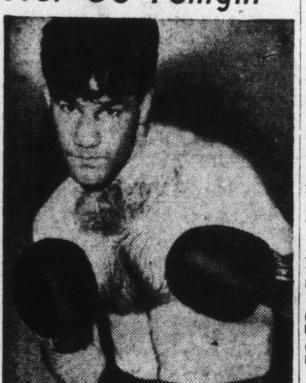

The Buffalo players who did the scoring were Paul Mundrick, Tommy Cooper, Freddie Hunt, Len Henderson, Murdo McKay and Jackie Adams.

The teams play the sixth game at Cleveland tomorrow night and the seventh if necessary at Buffalo on Sunday.

WISH Broadcasts Hot 'Go' Tonight

Sensational Charley "Chuck" Taylor, who has plenty of what the fans go for, encounters a formidable test when he crosses gloves with Manhattan's Tony Marteliano (above) in a welterweight ten-rounder at New York tonight.

Taylor, a full-of-fight Irishman from Pittsburgh, caused a real stir inistic circles by the manner in which he trounced Freddie Archer recently. He exhibited instinctive boxing ability and a wide repertory of punches, plus speed, accuracy and power.

Marteliano, a tough, two-fisted rocker, believes in throwing punches from opening gong to final bell. In his last start he turned in a major upset by vanquishing the classy Canadian welter, Phil Palmer.

**Minneapolis May Be Sold To N. Y. Giants**

MINNEAPOLIS, Minn., April 12 (U. P.)—The Minneapolis Millers, one of the last independent triple-A clubs in minor baseball leagues, may be sold to the New York Giants today, Owner Mike Kelley revealed.

Horace Stoneham, president of the National league team, was due to arrive here this afternoon to commence negotiations with the veteran Kelley and the latter said that "Stoneham is interested."

Kelley, one of the most prominent and widely known owners in the minor leagues, hinted he would sell "if the price is right." Just what price he would ask, he didn't say, but reliable sources had previously predicted that ancient Mike wouldn't take less than \$175,000 for his colorful "Kels."

The Millers, several time pennant winners in the American association, despite the fact they were bucking teams staffed with ex-major leaguers, have developed such stars as Ted Williams, Boston Red Sox, Charley Wagner, Herb Hash and Bill Butland, all of the Red Sox, and scores of others less notable.

Miller Sets Homer Record
In addition, the all-time minor-major league homer record of 69 round trippers was set by First Baseman Joe Hauser of the Millers over a decade ago.

In addition, Kelley dug up Clint Hartung, elongated all-around diamond star, for whom the Giants reportedly had agreed to pay the Minneapolis owner \$25,000 and four players.

Hartung, who thought nothing of pitching every other day and playing the outfield and first base on alternate days, decided to sign up for a year's extra hitch in the army air corps.

Previously, Kelley, who has been at the Miller helm for some 20 years, had dickered with Connie Mack of the Philadelphia Athletics, Roger Hornsby and one or two other major league team owners, whose names were not divulged.

The only comparison Armory fans can make is that Pasha was foored once by Knox here last Tuesday in a tag-team match.

It also is announced that Rene La Bell, Toronto, will be in a supporting bout.

Ship 75 Takes Sea Scout Meet

Skipper James W. Ray received the traditional dunking in the pool last night after Sea Scout Ship 75 won the senior scout swimming meet at the Riviera club.

Ship 75 scored 20 points to achieve victory. Second place went to Ship 80, with 16 points, while Ship 1, with 14 points, placed third. Ship 45 scored 12 points; Ship 370 totaled 10 and Explorer Post 9 tallied 1.
