

Australia Proposes Setup to  
Check on Facts.

NEW YORK, April 19 (U. P.).—The Australian proposal for a formal United Nations investigation of the Franco regime in Spain today had an excellent chance of adoption unless Russia objects.

Russian reaction to the proposal to determine with facts rather than by speeches whether Franco Spain menaces world peace was, as usual, unknown.

Must Await Orders

Like most of the other council members, Soviet Ambassador Andrei Gromyko must seek new instructions from his home government. But initial reaction of other delegations indicated that the Australian plan would find a majority with only the ever present Russian veto—if the Soviets decide to oppose it—standing in the way of the first United Nations inquiry.

Even the Polish delegation thought the proposal an "interesting one."

In Easter Recess

The council was in Easter recess until 2 p. m. (Indianapolis time) Tuesday afternoon. But when it returns it will be prepared to do the following:

ONE: Hand the Russians another resounding defeat in the Iranian case by voting, 8 to 3, to keep the jurisdiction of the case until May 6—the date by which the Russians have promised to have all their troops out of Iran.

TWO: Vote on the Australian resolution to set up a five-nation subcommittee to investigate the Spanish situation and report back by May 17. If accepted, this would defer action on the Polish resolution for immediate diplomatic quarantine of Spain—a proposal that five of the council members doomed by opposing during the last two days of council debate.

GROUP OPENS DRIVE  
TO SUPPORT FIELDS

The Citizens Juvenile Court Committee, a non-partisan organization, has opened its campaign in support of Harold N. Fields, attorney and war veteran, for the Republican nomination for Juvenile court judge.

The committee also has endorsed Joseph O. Hoffmann for the Democratic nomination for Juvenile court judge but he is unopposed in the primary so the committee will concentrate its activities in support of Mr. Fields.

Members of the committee have started a drive to get the signatures of 2000 persons to cards pledging each of them to get 10 voters to cast ballots for the committee's candidate.

The committee has opened headquarters at 129 W. Washington st., where campaign work will be directed during the next two weeks.

"In the opinion of the Juvenile Court Committee, the present juvenile court is deficient in a number of respects," a statement issued by the group said. "Therefore, the committee recommends a change in the administration of the court."

Opposing Mr. Fields for the Juvenile court G. O. P. nomination are Judge Mark W. Rhoads, incumbent; Richard Smith, member of the county council, and Edwin Boswell.

EDUCATOR TO SPEAK  
ON BANDING BIRDS

RENSSELAER, Ind., April 19.—The Rev. John Baechle, C.P.P.S., assistant professor of biology at St. Joseph's college, will speak on "Bird Banding and Portraiture" at the annual meeting of the Indiana Audubon society May 3 at McCormick's Creek state park near Spencer, Ind.

In the last five years, the Rev. Baechle has banded more than 8500 birds representing 75 species at the bird sanctuary at the college.

ACTOR ORDERED TO APPEAR

HOLLYWOOD, April 19 (U. P.).—Screen Villain Jack Larue yesterday was ordered to appear for trial May 1 on a felony hit-run driving charge for allegedly hitting bicyclist Bobby Card, 10, with his automobile last Friday.

Marble Champ Could Be Girl

Wilma Pruitt and her twin brother, Willie, (both above) will make their first bid for the Indianapolis marble champion's crown when they compete in the round-robin eliminations at School 47 next week.

The Indianapolis marble champion this year could be a girl. At least one school among those now staging eliminations in The Times-City Recreation division tournament has a girl contender.

She is Wilma Pruitt, 12-year-old seventh grader at School 47. She'll play against her twin brother, Willie, and some 25 other boys of the school in the eliminations Monday and Tuesday.

School 47's play will start each evening shortly after 3 o'clock, following the regular school hours. M. K. Mathias, industrial arts teacher, who is in charge of the playoff, expects to have the elimination completed Tuesday night. Mrs. Grace W. Kimmer, principal, is aiding Mr. Mathias in the school's playoff.

Final on May 18

The four pupils who win out there will compete in district eliminations May 4 at community centers and city playgrounds throughout the city. The district league winners will compete May 11 at Willard park, 1700 E. Washington st. The final playoff to determine the Indianapolis champion will be held May 18 at Willard park. The title holder will go to Cleveland, O. June 2 to play in the national marbles tournament until June 7. The champion's expenses for the trip and entertainment program at Cleveland will be paid by The Indianapolis Times.

County schools will participate in this year's tournament. Robert F. Gladden, superintendent of county schools, has authorized principals to hold tournaments for individual schools after school hours to qualify their pupils for the eliminations to be held at Willard park. The tournament is open to any boy or girl of 14 years or under if the player will not become 15 years old before July 11.

It is not necessary to file entries. The preliminaries will be run at the

LUDLOW OPPOSES  
ATOM BOMB TEST

Times Washington Bureau  
WASHINGTON, April 19.—A resolution calling off the Bikini atomic bomb test has been introduced in the house by Rep. Louis Ludlow, Indianapolis Democrat.

It also calls a halt to the manufacture of such bombs by the United States and asks the President to have the United Nations outlaw atomic weapons in warfare.

In presenting the resolution, Mr. Ludlow called on the people to write to their congressmen and urge its adoption.

Sees Inconsistency

"I am opposed to the Bikini atom test because it cuts straight across all the claims and pretensions we have made that we would take the leadership in creating a world of peace and security," Mr. Ludlow said.

"With Gen. MacArthur wisely demanding an agreement to outlaw war, we are doing exactly these things that make for misunderstandings and propagate war."

"If we go ahead with the proposed atomic-bomb test we will not be handling the Golden Rule to the other nations of the earth, but we will be poking a pistol in their faces and asking them how they like it."

"How is that for a start toward world peace?"

WILL HUNT EGGS ON  
COURTHOUSE LAWN

Children between five and 10 years of age will scramble over the courthouse lawn tomorrow noon at the annual egg-hunt sponsored by the juvenile court staff.

Under bushes, stones and grass will be hidden colored eggs prepared by children at the juvenile center.

Younger children from the General Protestant Orphan's association, the Lutheran school and the children's guardians' home will attend in a group. All the city's children are invited.

More than 400 articles, including a wide assortment of toys, will be hidden throughout the grounds. Most of the items were obtained as donations from the city's stores and theaters.

Grand prizes will be presented to children who find gold and silver eggs.

Boy Scouts and Girl Scouts will assist in supervising the children.

The board of three judges will be comprised of Miss Helen Thorne.

ACTRESS DISSATISFIED  
WITH \$1500 A WEEK

HOLLYWOOD, April 19 (U. P.).—Actress Joan Leslie, dissatisfied with the \$1500 a week she earns at Warner Bros., sought yesterday to break the contract made when she was 17.

Her attorney, Robert Kingsley, branded as "discriminatory" the law preventing actors and sports figures from rejecting, after they reach majority, agreements made while they were minors.

"This law is unconstitutional because it segregates employees in these fields," Attorney Kingsley told Judge Henry Willis.

Miss Leslie, now 21, wants to break her seven-year contract to work for Metro films.

The judge deferred a decision on her suit.

ton, Miss Jane Strain and Miss Irene Rhodes, all of the English department of Tech high.

The officials were announced today by the organization committee, headed by Mrs. Norma Koster, of the special activities branch of the city park department, after completing its review of local volunteers for the important assignment. Officials for the second semi-finals, to be held April 26 at Shortridge, are yet to be announced.

The match, the most important so far in the spelling bee, is open to the public. There will be no admission charge. The starting time is 7:30 p. m.

The 60 semi-finalists were selected from matches held in 21 community centers and churches in Indianapolis and in schools of the Marion county school system.

Twenty will be spelled down Monday night. Twenty will be spelled down April 26, and the remaining 20 will bid for the Indianapolis champion's title in the grand finals May 3.

The champion will go to Washington, D. C., with all expenses paid by the Indianapolis Times, to compete in the national spelling bee May 23 to 27.
