

PLAN CLASSES IN ARTS, SKILLS

Red Cross Will Sponsor Lessons in Crafts.

A new series of arts and skills classes will be offered individuals and organized community groups starting Sept. 16, it was announced by Mrs. John J. Weldon, chairman of the Red Cross arts and skills committee.

Instruction will be available in plastic, leather work, felt and yarn, metal and jewelry, ceramics, and textile painting.

Each craft will be offered in an eight week period of one three hour session each week. Individuals may take one or more of the courses. Enrollment is limited to those who will act as instructors at the Veterans' hospital or teach community classes, and may be made by calling LI-1441.

Lists Class Times.

Mildred Stills, director of the program, said classes would be held in the Red Cross chapter house, 1126 N. Meridian st., at the following times:

Monday, 9 a. m. to noon—Ceramics and metal and jewelry; 1 to 4 p. m.—felt and yarn. Tuesday, 9 a. m. to noon—Leather work and ceramics II. Wednesday, 9 a. m. to noon—Metal and jewelry; 1 to 4 p. m.—plastics; 6 to 9 p. m.—leather work and general handicrafts. Thursday, 9 a. m. to noon—Textile painting; 1 to 4 p. m.—metal and jewelry. Friday, 9 a. m. to noon—Metal and jewelry II.

Those who wish to acquire a general knowledge of all crafts may take the general simplified course in handicrafts to be held Wednesday evenings from 6 to 9 p. m.

USE OF FAMILIAR TITLES IS BANNED

WASHINGTON, Sept. 2 (U. P.)—The federal trade commission, which likes to keep the record straight on what's what, has cracked down on the use of the term "Who's Who" in book titles.

It said the practice misled the public into believing such books were associated with publishers of the well known "Who's Who in America."

Specifically, the commission ordered the Paabar Co., Inc. of New York, and Alan F. Pater, its principal stockholder, to stop using the term "Who's Who" in the title of an anthology called "Who's Who in America."

It also ordered them to stop using the term, "We, the People," in any of their publications unless they made it emphatically clear they were not connected with the radio program of that name.

The company used "We, the People" as the title of a public opinion yearbook.

NAMED TO STUDY GERMAN UTILITIES

WASHINGTON, Sept. 2 (U. P.)—Howard H. Houk, Washington civil engineer, has been named by the department of commerce to co-ordinate government investigations of German public utilities, the department announced today.

In addition, he will study recent developments in bridge and highway construction, river and harbor improvements, soils and soil mechanics, and sewage disposal, the announcement said.

ASKS U. S. PROBE TITO'S CHARGES

Willis Hopes to Confer With Byrnes on Matter.

Times Washington Bureau

WASHINGTON, Sept. 2—Marshal Tito's charges that U. S. army planes have been violating Yugoslav borders should be "thoroughly examined" by the state department, Senator Willis (R. Ind.) believes.

Before leaving for Copenhagen by plane, where he will be a member of the American delegation at the second world food conference, Senator Willis sent a letter to Secretary of State Byrnes at Paris.

If he pointed out that Capt. Harold Schreiber, one of the airmen shot down in Yugoslavia, was from New Albany, Ind. He is the son of Mr. and Mrs. Ralph Schreiber.

Should the shooting prove to be a "criminal attack" indemnification of the families of the dead fliers should be demanded, Senator Willis contended.

OPA APPROVES MORE BUILDING

Evansville Gets Major Share of Work.

Evansville, Ind., received the bigger share of \$771,376 in non-residential construction permits approved by the civilian production administration.

Of 17 permits approved by the OPA, Evansville had only four, but had \$659,000 of the total value of the proposed construction.

The school system of the city received approval on the largest permit, \$375,000 for construction of added facilities.

Kraft Foods Co., Evansville, was given the go-ahead on \$190,000 worth of building. Center township of Evansville got the next largest permit approved, a \$70,000 school addition and alteration.

Other approved permits included Richardson Tractor Sales, Ft. Wayne, \$24,500; Fricke Electric Co., South Bend, \$2000; Carl M. Smith, Richmond, \$8000; University of Notre Dame, South Bend, \$8925; S. S. Kresge Co., Evansville, \$24,200; Davis Cleaners, Indianapolis, \$1500; Earlham college, Richmond, \$32,600; Rigsby Cities Service, Lafayette, \$3500; C. J. Kurtz, Terre Haute, \$2000, and Singer Sewing Machine Co., Lafayette, \$647.
