Republican Steering Committees Meet; Two Enter Race Against Halleck

By LYLE WILSON
United Press Staff Correspondent
WASHINGTON, Nov. 14.—Republican senate and house steering committees met today to prepare for their new majority responsibilities.

The committees today met separately in a tangle over new congressional leadership.

Tomorrow they or their representatives will get together for joint discussions.

In the house it looks like a three-man contest for leadership among Rep. Clarence J. Brown of Ohio, Rep. Charles A. Halleck of Indiana, and Rep. Thomas A. Jenkins of Ohio.

In the senate the question is whether any attempt will be made to substitute Senator Robert A. Taft of Ohio for the present Republican floor leader, Senator Wallace H. White Jr. of Maine.

Some political observers saw in the house leadership contest preliminary skirmishing to the 1948 race for the Republican presidential nomination.

ASKS UN TO FORGET GRUDGES FOR FOOD

Plea to Help Needy Made By La Guardia.

LAKE SUCCESS, N. Y., Nov. 14 (U. P.).—U. N. R. R. A. Director-General La Guardia appealed to the United Nations today to forget "personal grudges" and do something concrete to feed the world's hungry.

"If only people who have personal grudges in government would stop trying to give vent to that, all our difficulties would be overcome and obstacles removed," he said.

He appeared before the United Nations assembly's economic and financial committee to press his plan for a \$400 million international organization to take over the U. N. R. R. A. food program.

He was understood to be particularly concerned at United States' opposition to a new international food organization without U. S. support, the plan seemed doomed.

FAILS TO HYPNOTIZE TRADE COMMISSION

WASHINGTON, Nov. 14 (U. P.).—There are going to be some changes in the name and operation of the Western Institute of Hypnotism, run by Adolph F. Lonk of Palatine, Ill.

After some correspondence with the federal trade commission, Lonk agreed to stop using the word "institute" in his firm name.

Lonk also decided to see eye-to-eye with the F. T. C. on a pamphlet he puts out as an instruction course in hypnotism. He agreed that it is not such a course and promised to stop saying so.
