—STORE HOURS DAILY FROM 9:45 TILL 5:15

OH WHAT A BEAUTIFUL MORNING OH WHAT TWO BEAUTIFUL DAYS

With Apologies to Oklahoma!

FRIDAY
and
SATURDAY

THIS IS AN ANNUAL CUSTOM (and we love it).
P. S. So does the public! These are days when we put the rollers
under certain groups for a swift sendout. These are days
when we highlight outstanding presentations at regular markings.
These are days that give Christmas Shopping Activity
a grand send-off!

PLEASE NOTE! This is NOT a Store-wide Sale or anything like that—
but here and there and elsewhere are groups intended for
Clearance — and regular-priced presentations highlighted
for easy identification.

WE'RE SORRY! BUT IT MUST BE REPORTED

that within the Store there will be traffic problems! Traffic problems have
always been with us at the Holiday Season. It seems that the attractions within
The Man's Store have always brought more people through the
doors than the Store could handle.

This year in the new Store — with its tremendously expanded presentations—
the traffic jam may become a bit more intense.

TO OUR DEEP REGRET—the ESCALATORS will not be completed
prior to Christmas. But there will be 3 Elevators in operation—
plus the large, spacious Elevator at rear of the Store—which
will help out between the hours of 11 and 4.
THANK YOU SO MUCH!
