BARNABY

I could take a job, Orville— Some big corporation is sure to be casting about for a vice president. Besides, a week's pay should bring in enough cash to buy the boy's mother a washing machine...

I've failed in my day. Earned my keep by the sweat of my brow. Once I even punched a time clock. Look, the scar!

Then why risk serious injury a second time? Raise a bit of cash a safer way, Jackie.

Couldn't you get all the money you wanted just by waving your magic cigar, Mr. O'Malley?

Hmm.
