**WINTER'S A LONG TRIP**

**FILL-ER  
UP!**

You wouldn't start a long trip with only two  
gallons of gasoline. Nor would you start a  
long, hard winter with only a few weeks' supply  
of coal. In both cases, it's wise at the start to  
say "Fill 'er up!"

There's no time like the present for getting  
ready for that long, hard winter ahead. A  
binful of coal — of **Fuel Satisfaction** — in your  
basement now will take the cares of winter  
ahead off your mind, and make the path an  
easier one when snow flies and the winds howl.

So call your coal dealer today, and you'll  
avoid the last-minute, "Johnny-Order-Lately",  
rush. Order now — say "Fill 'er up!" — and  
bid yourself "Happy Wintering!"
