Asks Acceptance Of Trade Charter

WASHINGTON, Sept. 11 (U. P.)

Undersecretary of State William L. Clayton tonight appealed for universal acceptance of the international trade charter adopted at Geneva, Switzerland, last month by the United States and 16 other world trade powers.

In a radio broadcast from Paris, he praised the work of the Geneva conference as a "miracle" of international co-operation. He predicted that the charter could open the way to a great expansion in world production and distribution and a rise in living standards everywhere.

The charter, adopted after 11 months of continuous negotiation, commits the world's 17 major trading nations to a reciprocal policy of non-discrimination in tariff laws.

Thief Gets Religion; Store Gets 25 Cents

KEOKUK, Iowa, Sept. 11 (U. P.) — A dime store here was 25 cents richer today because a former thief's conscience caught up with him. The store received a letter signed by a resident of Bethany Okla., yesterday.

"Fourteen years ago I stole a pencil from your store," it said. "Since getting religion, I wish to atone. Inclosed find 25 cents to pay for same."

This Wife Apparently Was a Bit Jealous

CHICAGO, Sept. 11 (U. P.) — Gilbert Johnson, 38, sued his wife, Esther, 43, for divorce today. He charged that she was so jealous she wouldn't let him listen to the radio because he would hear female voices. He said she also forbade him to read newspapers or magazines because he might look at other women's pictures.
