

VFW to Be Host To Wemmer

William H. Wemmer, GOP majority candidate, will be guest of honor at a veterans "get-together" at the Wayne VFW post, 5600 W. Morris St., from 5 to 8 p.m. Friday. The meeting, open to all veterans, is sponsored by the Marion County Republican Veterans of World War II.

Judges of Marion county courts have provided a sportsmanship trophy to be presented at the conclusion of six amateur boxing bouts which will highlight the evening's entertainment.

In charge of arrangements are Joseph W. Barr, general chairman; Edwin Sears, invitations and tickets; Thurl Rhodes, entertainment; James O. Burr and Jack Appel, transportation; and John Tugler and Jacob Miller, refreshments.

SHRINE 6 TO MEET

Indianapolis Shrine 6 will have a ceremonial meeting Thursday night.

CAKE TAKES THE CAKE—This cake cost \$4 million, but they were Chinese dollars, worth 2 1/4 cents apiece. The elaborate pastry went on sale at the mid-autumn festival in Shanghai, where confectioners had a field day and went all-out for fancy baking, despite government austerity measures. Photo by NEA-Acme staff correspondent Warren Lee.

Engineers to Hear Tucker Car Expert

Speaker for the meeting, Thursday night, of the Indiana Section, Society of Automotive Engineers, will be Dr. K. E. Lyman, technical advisor to the Tucker Corp. Dr. Lyman's address, "The Tucker Automobile," will concern design features and engineering problems of that automobile.

The meeting will begin with a social half hour at 6:30 and conclude with a discussion period at 9 p.m.

Educators to Meet At Butler Oct. 22

Butler University's college of education will be host to an all-day meeting of the Indiana Department of Supervision and Curriculum Development Oct. 22.

Dr. Frank H. Gorman, head of the Butler department of elementary education, and Miss Doris Holmes, director of curriculum for Indianapolis public schools, will be co-chairmen of the meeting.

There's Always Something New Under the Sun

CHICAGO, Oct. 6 (U. P.)—What's new? The October issue of the National Foundation for Science and Industry lists the following: Plastic egg container to be used in place of the egg shell. It cuts down on breakage.

An automatic awning that comes down when it rains and goes up when it's clear.

A shaving brush that holds the cream in the handle and dispenses it automatically.

A beginner's airplane that requires no skill to fly. It levels off by itself and lands at 20 miles per hour.

May Succeed Nimitz

WASHINGTON, Oct. 7 (U. P.)—Armed Force, unofficial but usually well-informed service publication, said today that Adm. Louis E. Denfeld, commander-in-chief of the Pacific fleet, probably will be named to succeed Adm. Chester Nimitz as chief of naval operations about mid-October.

Ship Movements
