full or balanced selections—
but if you find what you want—

STRAUSS SAYS...TRADITION WITH A TOUCH OF TOMORROW!

BEGINNING THURSDAY MORNING AS THE DOORS OPEN

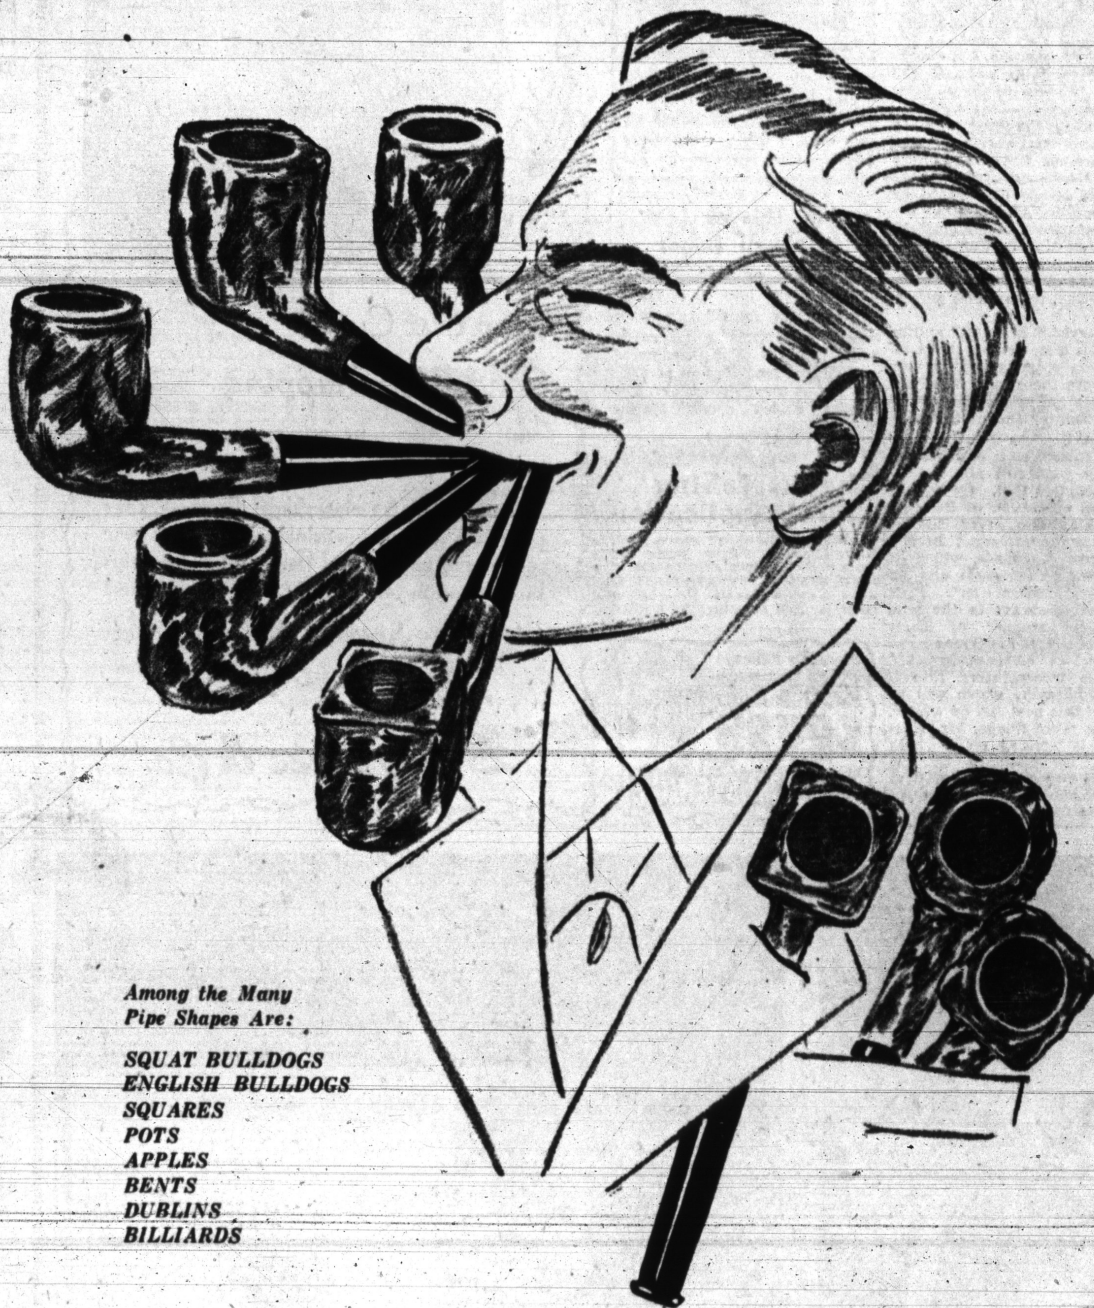

PIPE SALE

This is a duplicate of the
celebrated pipe sale we held
some 6 months ago and that
was commented on, in trade
circles, from Coast to Coast!

5000 Pipes, the Famous
"..." (The
name is on each pipe)—
they are carved with hand
guidance—It's one of the
most famous names in the
pipe world—Pipe smokers
know the name as well as
they know their own!

Group 1 Group 2
\$2 \$3
for \$5 pipes for 7.50 & 8.50
pipes

Among the Many
Pipe Shapes Are:
SQUAT BULLDOGS
ENGLISH BULLDOGS
SQUARES
POTS
APPLES
BENTS
DUBLINS
BILLIARDS

The maker suggested that we do not come right out with his name in the
public prints—for it is associated with \$5 and better pipes. But the name is on
them—is clear as life. This Sale—represents a Clearance of his Stock—

He used up excess briars—He told us that maybe the skilled pipe maker's hands
may have slipped a bit in carving a detail. These were excess Briars that he
wanted to put into pipes—Some are surplus lots—some shapes are being dis-
continued—And he concluded—"Every pipe is worthy to carry my name—and
a \$5 to 8.50 price tag—"

In order to make choosing easy—we shall have these pipes on tables
right inside the doors easy to get at. Extra service facilities. Help
yourself — \$2 & \$3 — instead of \$5 & \$7.50 & \$8.50.

A FEW NOTES:

DROP IN
on your
lunch hour
—if no other
time is convenient —
You'll find choosing
right at hand—
And the service will
be quick.
There are dozens of
shapes—and thousands of
patterns in carving — No
two are carved alike. (That's
one of the beauties of
these pipes.)
If you have a
Son—(or Sons)
in College—send
him (or them) a
pipe or several
JUST INSIDE THE
ILLINOIS STREET DOORS
(On Tables—Help Yourself)
VALENTINE day is
coming—soon —
EASTER is coming a
bit later—
And FATHER'S Day is
on the way—
And it's only a
couple of hundred and
some shopping days
III CHRISTMAS.
