

## Larman's Furniture Company Celebrates 41st Anniversary

Climaxing the most successful year in their history Larman's Furniture Company announces a spectacular 41st anniversary event with items substantially reduced to \$41... \$141, and 41 cents.

Gay spring colors carry out the theme of this promotion, and to dramatize the importance of color in the home each lady visiting Larman's Thursday, Friday or Saturday, will be given a golden-yellow daffodil.

Striking new colors that were the talk of the recent Furniture Mart in Chicago—silver fox, baroque brown, and blonde mahogany are now on display in Larman's functional modern pieces mostly designed for the bedroom.

### Garland New Sales Manager at Larman's

Announcement of the appointment of Murray Garland as Sales Manager for the Larman Corp. Stores was made by Herbert S. Larman, President of the local furniture retailers.

Garland, a native of Albany, Indiana, has been engaged in the retail furniture business for over 20 years. He is widely known throughout Indiana.
