**Masonic Dinner To Hear Dr. Peale**

Dr. Norman Vincent Peale, pastor of the Marble Collegiate Church, New York City, will address a dinner meeting of the Calvin Prather Masonic Lodge tonight at 7 o'clock in the hall, 421 St. and College Ave.

Dr. Peale is one of the most widely-known speakers in the country, an author and counselor in the solution of personal problems. His subject is "The Art of Living." About 350 persons are expected to attend the dinner. Lodge officials said it was their impression that Dr. Peale would be unable to remain in the city to talk to other groups but would have to return tomorrow to New York to keep an engagement.

**Rosow and Hanley To Address Engineers**

Col. Robert Rosow and W. A. Hanley will address a joint dinner meeting of the Indiana Society of Professional Engineers and the Indiana section of the American Society of Mechanical Engineers at 6:30 p. m. tomorrow in the Canary Cottage.

Col. Rosow, superintendent of the state police, will talk about his department and Mr. Hanley, vice president of the B. I. Lilly Co., will discuss "Management."

**HOW TO AVOID BALDNESS**

Watch these danger zones

DEFINITE warning signals always precede baldness. When your scalp itches or is laden with dandruff, and when your hair falls abnormally in the "danger zones" (forehead and crown) you are being warned that baldness is approaching. You must act at once if you wish to avoid baldness.

Do what nearly a half-million other men have done—consult Thomas. Thomas treatment is proved by two decades of success—is reliable, dignified, and inexpensive. It ends dandruff, stops abnormal hair loss, and helps to promote normal hair growth. Call today for a complete scalp examination. No charge is made for the examination nor for consultation and if you do not come within the scope of Thomas treatment you will be promptly told.

★ Important—Genuine, original Thomas treatments for the hair and scalp are available only in the form of professional services, given only in a Thomas office.
