

## Shortridge Plans Benefit Concert

Lettermen Alumni of Band to Be Honored

A benefit concert will be presented at 8 p. m. Friday by the Shortridge High School band in Caleb Mills Hall. Lettermen alumni of the band will be honored.

Willard Shull, orchestra concert master, will play a violin concerto. Director Robert J. Shultz has written an original score for the number.

Also featured is a trumpet trio number by Robert Hummel, James Hudson, and Richard Brown; a harp solo by Laurelee Burke, only girl member of the 77-piece band; and a novelty number, "Southern Wedding," featuring Dave Berry, John Mahrdt, John Hand, Howard Ashley and Laurelee Burke.

Classical and semi-classical music will be played. Tickets go on sale at the box office Friday evening. Proceeds will be used for the band fund.

## Not as Shocking As It Should Be

BOSTON, Mar. 10 (UP)—George Wellman, 56, of the back bay, slipped into the Park St. rapid transit station yesterday climbed down into the train pit and calmly seated himself on the third rail.

An alarmed Metropolitan Transit Authority employee telephoned police. A guard turned off the power. Two officers climbed into the pit to get the "body."

Wellman got up off the rail and politely walked to meet them. At City Hospital, Wellman was found to be suffering from facial cuts and acute alcoholism. "I guess he just wasn't grounded," an MTA spokesman said.

ARTFUL ADVICE—Robert J. Shultz, Shortridge High School band director, points out a passage in the score to be used in the band's benefit concert Friday. Looking on is Willard Shull, band concert master.

## N. Y. Opera Singers Wed In Surprise Ceremony

CHICAGO, Mar. 10 (UP)—Winfield Heldt, 34, and Eugene Conley, 35, New York opera singers, were honeymooning today after a surprise marriage at the home of friends of the bride.

Miss Heldt will return to New York shortly to sing her 201st performance of Carmen at the New York City Center Opera company.

**FREEZERS INCREASE**  
The number of freezer locker plants in the United States, for preserving food for individual renters, is approaching the 10,000 mark.

LONE MUSE — Laurelee Burke, only girl member of the Shortridge High School Band, will be featured in the concert in Caleb Mills Hall Friday night.

New modern, attractive, fireproof, permanent — KOOLVENT is the final answer to all awning problems. Those viewing KOOLVENT Awnings for the first time marvel at their colorful beauty and distinctive lines. Those using them derive never-ending satisfaction from the cool-comfort and year-round all-weather protection that they afford.

You will actually be 10 to 20 degrees cooler after installing KOOL-VENT Aluminum Awnings. The patented design screens out the heat and admits a well-diffused light. KOOLVENTS can't rot, rust, or rip; won't sag, blow down or fade, and are not affected by heat, cold, dryness, or dampness. No seasonal maintenance job of repairing, putting up, taking down, and storing awnings is necessary. KOOLVENT ends awning troubles forever.

KOOLVENTS are available in any combination of colors or solid colors. They can be baked enameled in any shade of any color you may desire.

KOOL VENTS ARE VENTILATED

There's more to Koolvent than meets the eye:

1

Air circulates through a series of patented vents and louvers which carry away solar heat, thus preventing the formation of "heat pockets."

2

The construction screens out the direct sun rays yet admits an abundance of eye-comforting, well diffused indirect light.
