Firm to Construct \$450,000 Building

Empire Insurance Files Zoning Board Plans
The Empire Life and Accident Insurance Co., 215 E. New York St., has filed plans with the City Zoning Board for erection of a \$450,000 office building at 28th and Meridian Sts.
The firm asked the City for a zoning variance to permit construction work to be started at once. Plans for the building call for four-story structure with 42,000 feet of floor space. It would become the home office of the company.
The zoning board will conduct a hearing on the proposal next Monday afternoon.
The proposed building would be erected on the northeast corner which is now a vacant lot.

Softball Club To Crown Queen

Miss Jackie Stidd, 1412 Fletcher Ave., will be crowned May Queen of the Fountain Square A. C. Softball Club at 2 p. m. Wednesday in Finch Park. She will be accompanied by attendants and flower girls in the parade to follow.
The 16-year-old Technical High School student was recently elected May Queen and cheer-leader by members of the softball club.
The coronation and parade precedes the opening day softball game at Finch Park.
Miss Stidd is not the only member of her family who takes an interest in baseball, however. She has two brothers who play on the team.

CONFERENCE ON VOCATIONS
A vocational conference sponsored by the Kiwanis Club and the Business and Professional Women's Club was held recently at Shortridge for all sophomores.
