A Man Felt Like His
Bones Were Broken,
Due to Rheumatism

One man recently stated that for years he felt like the bones in his legs were broken. This was due to muscular rheumatism. His muscles were swollen and his legs so stiff and sore that he couldn't walk without limping. He was in misery. Recently he started taking TRU-AID and says the feeling like his bones were broken disappeared the second day. The swelling and stiffness has gone from his muscles; now he can walk without suffering and says he feels like a new man.

TRU-AID contains Three Great Medical Ingredients which go right to the very source of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Sold by All Drug Stores here in Indianapolis.

MOTHER'S FRIEND, an exquisitely prepared emollient, is used in all cosmetics. A bland, solid emollient massage medium in skin lubrication is desired. One condition in which women for more than ten years have found an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... this loving, ungreasy lotion is easily absorbed, dries quickly, and tightens. It refreshes and tones the skin. An ideal massage application for the numerous aches and pains of pregnancy... the skin, for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—skin emollient and lubricant. Do dry it.

Doctors say your kidneys contain 15 miles of tiny blood vessels feeding the skin, and keep you healthy. When you get tired and don't work right in the daytime, many people have to get up at night. Irregular or poor sleep can make you tired, and something wrong with your kidneys or bladder. Don't neglect this condition.

Don't let your kidneys get tired.
