## Local Boy, 7, Man on List Of Fatalities

### Child Struck by Truck While at Play

Two Indianapolis persons, one 7-year-old boy, were killed and nine others were injured in week-end traffic accidents.

The dead are:  
John Wright Jr., 7, of 3229 Polk St.  
Henry Byers, 29, of 732 N. New Jersey St.

The Wright child, son of Mr. and Mrs. John Wright, died yesterday in General Hospital. He was struck by a truck while playing in front of his home earlier in the day.

**Ran in Truck's Path**  
Mrs. Irene Sawyer, 46, of 2601 Rybolt Ave., who was driving the truck, told deputy sheriffs the youngster ran in front of the truck.

Survivors besides the parents include two sisters, Alice and Donna Wright, and a brother, Joseph Wright, all of Indianapolis.

Mr. Byers died last night in Home Hospital, Lafayette, after receiving a broken neck when the car in which he was riding turned over on U. S. 52 southeast of Lafayette.

**Millard Byers, 34, of 1006 Lexington Ave., brother of the dead man, is in critical condition in the hospital with a broken back. He was driving, according to state police.**

**Boy Badly Hurt**  
Another passenger, Eunice Cameron, of the N. New Jersey St. address, received minor injuries.

Kenneth Lynn, 8, of 1033 Udell St., is in serious condition in General Hospital today after being struck by a car Saturday while crossing the street in the 300 block of McCarty St. Driver of the truck was James Torrence, 7, of 1331 Gola St.

Leo J. Robas, 29, of 35 N. Randolph, was under arrest today for failure to give a pedestrian the right of way after his car struck Samuel W. Walters, 85, of 425 E. New York St., at East and New York Sts. last night. Mr. Walters is in Methodist Hospital.

A driver of a big semi-trailer truck, John T. Ready, 27, of Winthrop, Mass., escaped serious injury here last night when his truck skidded more than 150 feet and crashed into a utility pole and traffic signal at 30th St. and Central Ave.

**4 Hurt in Crash**

**Old Sol Loses 'That Skin You Love to Touch'**  
WASHINGTON, Apr. 19—The sun, less than a month ago practically devoid of blemishes, today is "busting out all over."

Old Sol is acting just the way it did last summer, during sunspot maximum. Twenty different sunspot groups yesterday were counted on its magnified disc as seen at the U. S. Naval Observatory. One of these spots, a north latitude group that will reach its maximum tomorrow, is faintly visible through smoked glasses.

Contrast the sun's disc today with that of about three weeks ago. On Mar. 22 the one spot recorded was so faint that a second plate had to be made before solar experts here were sure the sunspot actually existed.

**GENERALS MORTALITY**  
One hundred generals were either killed, wounded or captured during World War II.

## Agree on Move To Curb Reds

### Conference to Get Strong Resolution

By E. H. SHACKFORD

BOSTON, Apr. 19 (UP)—The United States, Brazil and Chile were understood today to have agreed on terms of an Inter-American Conference resolution strongly condemning Soviet Russia and calling on Western Hemisphere nations to "curb communism."

The resolution, stronger than the one anticipated before the recent revolution here, will be presented to the conference today or tomorrow.

Shooting broke out here yesterday in Santander Square and near the presidential palace, where the riotous riots began 10 days ago. Unconfirmed reports said that deaths in the two incidents ran as high as 12, with seven civilians and five soldiers killed. The war ministry denied there had been any deaths.

**2-Hour Battle**  
Firing from the ruins of an office building overlooking the square, snipers fought a fierce two-hour gun battle against soldiers. Near the palace only scattered gunfire was heard.

Those were the only incidents to disturb an otherwise quiet Sunday. A five-man subcommittee consisting of members from the U. S., Brazil, Chile, Uruguay and Cuba met for three hours on the proposed anti-Communist resolution. Only Uruguay and Cuba were undecided whether to sponsor it.

Their delegates decided to seek instructions from home, which may hold up the presentation until tomorrow. But the United States hoped to push the severe resolution through because of the Colombian revolution which Secretary of State Marshall charged was inspired and planned by Communists.

## UN Committee to Debate Trusteeship of Palestine

UNITED NATIONS HALL, FLUSHING, N. Y., Apr. 19 (UP)—The United Nations General Assembly, taking a parliamentary shortcut in a race against the calendar, today ordered its political and security committee to begin debate immediately on the United States move to impose a UN trusteeship on Palestine.

The assembly decided to dispense entirely with general debate of the Holy Land dilemma. In a brisk 25-minute meeting the assembly voted 44 to 0, with 10 members abstaining, in favor of starting actual work in the political committee tomorrow morning.

American officials indicated that American Delegate Warren Austin may be ready then to tell the UN more about the United States proposal for an indefinite UN trusteeship under which certain specified countries would send armed forces to Palestine if they are needed to keep pace.
