

# 3 Ohioans Die In Crashes on State Roads

The Hoosier traffic toll climbed higher today as two accidents on Indiana highways took the lives of three people.

All victims were from Ohio. They were:

Don Q. Heck, 21, Dayton.

Mr. and Mrs. James W. Humbert, both 34, Green Springs.

Mr. Heck died of a crushed chest in a Ft. Wayne hospital early today after his car went off the road three miles west of the junction of U. S. 30 and 33 and plunged into a creek.

**Driver Falls Asleep**

State police said Mr. Heck apparently fell asleep at the wheel. His wife, Barbara, 21, was injured slightly in the accident.

Mr. Humbert and his wife, Myrna, were killed instantly last night when their pick-up truck collided with a semi-trailer truck on U. S. 20, about 10 miles east of Angola.

According to State Police, Mr. Humbert, who was driving, lost control of his vehicle as it was approaching a narrow bridge. Troopers said the small truck spun into the path of the tractor-trailer, which was traveling in the opposite direction.

The driver of the truck, Dwight Finn, South Bend, escaped injury, police said.

## Slot Machine Case Venued

A legal checker game over 20 slot machines seized in county night club raids continued here today when the case was "jumped" from one court to another.

Beech Grove Magistrate Paul Wetter granted a change of venue on defense counsel's contention he was "biased and prejudiced" in the matter.

Mr. Wetter transferred the case to Speedway Magistrate J. E. McManamon.

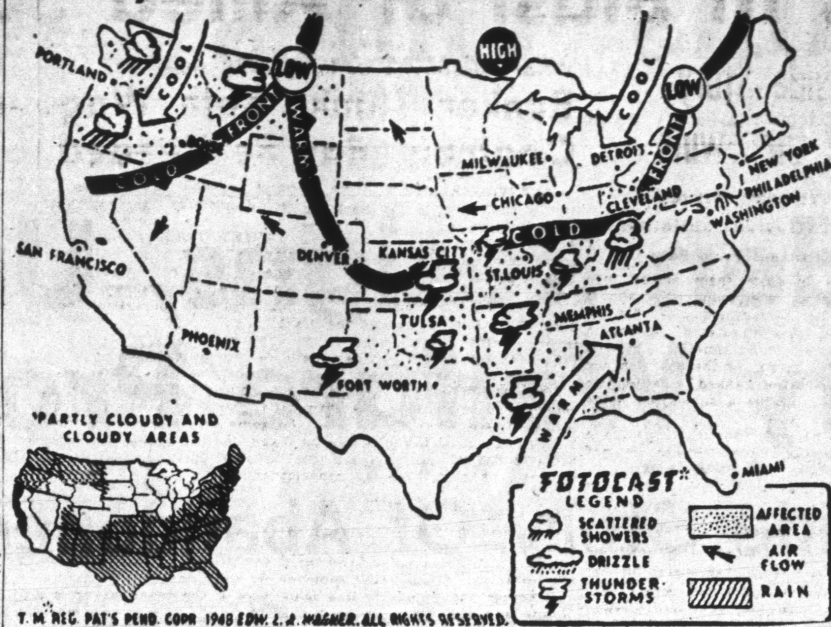

The venue change plea was filed yesterday afternoon without the knowledge of the county prosecutor's office or state police, who confiscated the one-armed bandits July 6 at the L. V. L. Club, 2927 Bluff Rd., and Stenger's Oasis, 5555 Madison Ave.

State law requires magistrates to grant venue changes when confronted with "bias and prejudice" charges, Judge Wetter explained.

Defendants are Roll Hoss, LVL co-owner, charged with violating the 1935 slot machine act; George Leskeur, Oasis co-owner, and John W. Garrison, both charged with keeping a gaming house.

Their trial originally was continued to Aug. 6 at the request of defense attorneys.

# Today's Weather Fotocast

**TONIGHT AND TOMORROW**—Cool weather is forecast for the northern half of the nation tonight and early tomorrow. Winds from Canada are expected to flow down into the U. S. for the next 24 hours. In the South, however, hot, humid winds will flow up from the Gulf of Mexico. Scattered showers and thunderstorms will occur in the dotted affected areas. Rainy weather will extend from the Gulf States into the Central Plains, the lower Ohio Valley and the northwest, forecasters say.

## Driver Beaten; 4 Youths Held

**Suspects Explain  
Wrong Man Attacked**

Careful police work by Deputy Sheriff Claude Nicholas and Everett Hunt last night resulted in the arrest of four youths who were accused of assault and battery.

William Behrman, 17, of 5882 Haverford Ave., told the deputies that four men in an old model car forced his auto to the curb last night as he and his "date" were driving on Fall Creek Blvd.

The four youths, he said, beat him and then left without attempting to rob him.

Earlier the officers had noticed an old model car being pulled from a ditch on Fall Creek Blvd. The deputies noted the license number and the description of the four youths standing by the car.

The victim's description of his assailants tallied with the one the officers had made of the four youths.

This led to the arrest of three 17-year-olds, who were turned over to Juvenile Aid authorities, and Robert Kash, 20, of 131 W. Market St., who was charged with assault and battery and vagrancy.

The youths, told police that their attack on young Behrman was a "case of mistaken identity."

## Prisoner Didn't Know Answers; Gets \$50 Fine

Sam Reynolds, 30, didn't know any answers in Municipal Court today.

He was arrested on a lottery charge in a raid yesterday on a smoker at 930 E. 19th St. when the warning buzzer failed to function. Today in court, Reynolds said he operated the place, but didn't own it.

In reply to queries by Judge Joseph M. Howard, Reynolds said he didn't know who his employer was, or who would pay him on payday.

"Who's going to serve your time if I send you to the State Farm?" the judge inquired. Reynolds did not know that either.

"Fifty dollars," said the judge. He relented on his threat to imprison Reynolds, however, and the defendant was freed after paying the fine.

## 21-Month-Old Girl Burned by Grease

Ginger Ann Bilyou, 21-month-old daughter of Mrs. Raymond Bilyou, 1211 Park Ave., was seriously burned today when she upset a cup of hot grease which her mother had placed on the kitchen cabinet.

Police administered first aid and sent the child to Riley Hospital.

## Considers Appeal On English Hotel

**Foust May Seek Sale  
Ruling From Court**

Attorney General Cleon Foust said today he was considering asking the Indiana Supreme Court for a ruling on the disposal of the English Hotel.

Approval of the proposed sale to the Equitable Life Assurance Society of the United States was given yesterday by the Indiana Appellate Court.

The court denied a rehearing of the case brought by the state against the trustees of the English Foundation in an attempt to prevent them from selling the property.

**Plan Sale in Fall**

After yesterday's action Irving Favre, Indianapolis attorney for the Insurance company, said the sale would be consummated in November, barring any further proceedings by the attorney general.

The company has agreed to pay \$2,100,000 for the downtown structure. Plans are to construct a modern three-story building on the site and lease it to J. C. Penney Co.

**EARLY IMPORTATION**

Writers on horticulture say that needs, graftings and trees of the various fruits were imported into the United States from France and The Netherlands as early as 1650.

# See GOP Truce In Springer Ouster Fight

**Report Creighton Men  
Ready to End Battle**

By ROBERT BLOEM

A new Republican declaration of intra-party harmony was expected within the next 24 hours today and this time, political observers believed, it will stick.

First step in the move to end the party storm raging around State Chairman Clark Springer came when state GOP headquarters and Creighton-for-Governor headquarters were consolidated.

Backers of Hobart Creighton, governor nominee, have been seeking to oust Mr. Springer on grounds he privately sympathized with the gubernatorial ambitions of Sen. William E. Jenner, defeated by Mr. Creighton for the nomination.

**Joint Statement**

Next step was expected to be some sort of joint statement to be issued by Mr. Springer and Morrison Rockhill of Warsaw who managed Mr. Creighton's successful campaign for the governor nomination.

Agreement to stop sniping at Mr. Springer and concentrate at least until next November on winning the election apparently was reached at a meeting of factional leaders last week.

As a result, a petition being circulated to call a meeting of the state committee for the expressed purpose of firing Mr. Springer disappeared. It was understood the petition had nine signatures of the 11 necessary to call the meeting.

**Truman Edicts  
Termed Politics**

**Accused of Trying  
To Win Negro Votes**

WASHINGTON, July 27 (UP)—Southern Democrats and some Republicans today planned a "palpably political" label on President Truman's latest orders against discrimination in federal employment and the armed services.

They charged that Mr. Truman's directives were nothing more than political maneuvers to woo Negro and other minority votes in the November election. They predicted that the edicts would widen the breach between Mr. Truman and the Dixie wing of the party.

Republicans, although more restrained, were inclined to agree that the move was politically inspired. Acting Senate GOP Leader Kenneth S. Wherry of Nebraska said Mr. Truman "knows he can't pass a civil rights bill so he's making these gestures to get the Negro vote."

**'Slap at South'**

Sen. Richard B. Russell (D. Ga.), the South's candidate for the Presidential nomination at the recent Democratic convention, charged that Mr. Truman's action is "a deliberate attempt to again slap the people of the South."

"It is very palpably political," he said. "The President is very badly frightened politically."

He said that the order against discrimination in the armed forces is "a frantic effort to beguile Henry A. Wallace's Negro support back into the fold."

He said it was prompted by "the popgun" of Mr. Wallace's Philadelphia convention and by the threat of Negro leaders to ignore the new draft law.

**Equal Treatment**

Mr. Truman late yesterday issued two anti-discrimination proclamations—one for the armed forces and one for civilian agencies of the government.

The armed services directive stated flatly that it shall be his policy that there be "equality of treatment and opportunity" for all soldiers, sailors, marines and airmen regardless of race, color, religion or national origin.

## Orders Closer Dump Inspection

A new policy governing the inspection of dumps in the city was announced today by the Sanitation Board.

Oscar F. Berry, board president, said an inspection team composed of a policeman, a fireman, a member of the health department and a member of the sanitation department would review each application for a dump license.

Each applicant will be asked to fill out a questionnaire which will be submitted to the board along with the report of the inspection team.

From this information the board will grant or refuse dump licenses. Record of the number of times fire equipment is called to a dump to extinguish a blaze will be kept by the Safety Board.

Dump operators who permit fires to start too frequently will be called before the Sanitation Board for disciplinary action.

Heretofore, responsibility for licensing and inspecting dumps has been tossed between several city departments.
