

## Find Stadium For Truman at Los Angeles

Warren Starts  
Month-Long Tour

President Truman leaves Washington by train tomorrow and makes his first formal speech Saturday at a plowing contest in Dexter, Ia. He speaks in Los Angeles next Thursday. Mr. Dewey will appear there the following day.

At Los Angeles, meanwhile, the Democrats finally found a stadium where President Truman can speak.

Reshuffling of midget auto racing schedules freed Gilmore Stadium for the presidential speech after every other amphitheater in town appeared to be booked solid.

The Democrats had wanted Hollywood Bowl, but the Republicans had already rented it for lighting rehearsals of GOP presidential candidate Mr. Dewey's speech the following night.

**Warren On Tour**  
This provided a blast from Sen. J. Howard McGrath, Democratic National Chairman, who said the GOP took the Bowl both nights in an "un-American" effort to prevent "Californians" from hearing President Truman.

While the GOP standard bearer prepared to set out from Albany, N. Y., on Sunday, his vice presidential running mate, Earl Warren, was already on the campaign trail.

Speaking in Reno, Nev., Gov. Warren praised Dewey as a man "able to use his head as well as his heart in the interests of good and fair government."

Gov. Warren makes his first major address tonight at Salt Lake City, Utah. This will be followed by 24 other speeches in a month-long tour.

**WALLACE**—Henry A. Wallace's Progressive Party appeared certain of a place on the ballot in Florida and Vermont. The Florida legislature passed a bill to add Wallace and Strom Thurmond to the ballot. And in Vermont, Wallace supporters filed nomination papers bearing 12,777 signatures, more than 500 above the requirement.

**TATE-HARTLEY**—Rep. Fred A. Hartley Jr. (R. N. J.) said he organized labor's campaign to defeat congressmen who voted for the Tate-Hartley law is "doomed."

Enough senators and representatives "reasonably sure" of election have been nominated in state primaries to defend the year-old labor law, he said.

**MAINE**—Liberals spokesmen described results of the Maine Referendum as the turning point in their fight against restrictive legislation by the states.

Maine voters supported repeal of two state laws which banned the closed shop and regulated the union shop.

**Kiwanis List Speaker**  
The Kiwanis Club of Indianapolis will hear Silvia Tenison Roncon speak on "Relations" noon tomorrow in the Claypool Hotel. Ms. Roncon has delivered the talk before 22 different groups including 19 clubs of the Kiwanis organization.

## Polio Epidemic In State 'Unlikely'

Indiana Board of Health officials said today that a state-wide polio epidemic was "improbable" despite the fact that 228 cases had been reported so far this year.

Board officials said that this year's figure compared to 144 for the same period last year. They said the number of paralytic cases had increased from 78 in 1947 to 150 this year.

Monroe County is the hardest hit this year, officials said. It

has reported 30 cases, two of them fatal. Other counties with 10 cases or more this year were Delaware, 21; Marion, 16; Lake, 13; and Allen and Daviess, 10 each.

**School Ransacked**  
Vandals last night broke glass in all classroom doors at James E. Roberts School for Crippled Children and tore other doors from their hinges. Harry Clark, the custodian, reported to police. The entire building was ransacked.

**MAN-CAUSED FIRES**  
About 90 per cent of America's forest fires are man-caused and are preventable.

## Excuse 20 Jurors In Trooper Slaying

GREENSBURG, Sept. 16 (UPI)—William Johnson, a 19-year-old boy who wants to study for the ministry, walked into a courtroom today to listen to attorneys attempt for the third day to seat a jury to try him for murder.

Twenty of a special 250-member venire, called for the trial were excused from jury duty yesterday. More will be questioned.

Johnson and William Price, both of Evansville, were convicted after their first trial of shooting Mr. Smith and sentenced to life imprisonment.

Johnson sought a new trial and appealed its denial to the state Supreme Court. The court granted a new trial because it school basement, 524 Stevens St.
