

Plan Reserve
Contact Courses

Four thousand members of the Army Reserve will have an opportunity to receive regular duty credit by attending a two-day contact camp at Ft. Harrison Saturday and Sunday.

The camp, designed to allow reservists to familiarize themselves with and operate the latest type of Army signal equipment, will be conducted by a composite company of 10 officers and 150 enlisted men from the 51st Signal Operation Battalion, Ft. Meade, Md.

Three Hoosiers are listed as members of the regular Army composite company operating the camp. They are Sgt. Paul Miller Jr., Mishawaka; Pfc. Edward N. Kleitz, Plymouth, and Pfc. William R. Lipscomb, Anderson.

Carriers See Game

One hundred carriers of The Times were guests of the Indianapolis Junior Chamber of Commerce and the Indianapolis Jets professional basketball team at last night's game in Butler Fieldhouse.

MY WIFE
HAVING LEFT ME

Sue, I sure do miss you. And I admit I've been hard to take. But, hon, there was a reason for my mean disposition. I was "out of order" and depending upon harsh laxatives. Now you'd see a big change. Yes, I've found relief from constipation caused by lack of bulk in the diet—by eating right. Every day now, I have me a bowlful of KELLOGG'S ALL-BRAN and follow through by drinking plenty of water. What relief, what joy, to be able to give purgatives the go-by! The crisp whole bran tastes just fine and keeps me regulated. But, Sue, life isn't right without you. Come back, you're the only girl for me. Your loving JOE.

Smog Covers Milltown Again—But No Deaths

DONORA, Pa., Nov. 2 (UP)—A dense fog settled over this Monongahela River milltown today, but officials said it did not carry the airborne "silent killer" that snuffed out the lives of 19 persons over the week-end.

The heavy, damp fog hung like a mist in the listless air, blotting out streets and buildings. But health authorities reported that no calls for aid were received from persons with asthmatic or cardiac conditions such as those stricken three days ago.
