### Another Lady Is Free of Stomach Gas and Headache

One lady said recently that her stomach used to be like a "gas factory"! That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches and constant irregular bowels action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloating after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID?"

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores.

### Take First Aid Refresher Courses

With 12 men to complete refresher training this week at Stout Field Headquarters, the entire personnel of the Indiana State Police will have taken refresher training courses in first aid. Col. Robert Rossow, State Police superintendent, announced today. When certificates are issued Friday, the Indiana State Police will be "better equipped to handle their primary task of saving lives," Col. Rossow said.

Men taking the course from Indianapolis include Troopers John McCrory and Hubert Roush, Detective Sergeants E. C. Schroeder and Richard Wedekind, Technician Edward Replogle and Detective Lawrence Broderick.

### How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.
