Experts Favor Eagles to Cop Eastern Title

Defeat Redskins, 42-21, to Take Lead
By United Press
Philadelphia's hard-driving Eagles, once the scapegoats of the National Football League, continued moving methodically toward their second successive Eastern Division title today, favored by both the experts and the schedule.
The Eagles, who now have to face only Pittsburgh, Boston and Detroit before the end of the season, took a 1 1/2-game lead in the Eastern Division yesterday by jangling the Washington Redskins, 42-21.
Once again it was Tommy Thompson's passing and Steve Van Buren's ground gaining which spearheaded Philadelphia to victory. The curly-headed Van Buren rolled for 171 yards in 29 tries and Thompson completed 12 of 17 passes, including three touchdowns, as the Eagles took their seventh straight contest. Sammy Baugh's two touchdown passes prevented the game from developing into a complete rout.
The two Chicago teams continued to share the Western Division lead as the Bears trampled the Boston Yanks 31 to 17, and the Cardinals squeaked by the Los Angeles Rams, 27 to 24.

Valuable Raven

Carter Byfield, former Washington High School quarterback, was chosen the most valuable Anderson College football player for 1948 by teammates. He was second in total yardage gained after playing regular fullback for the Ravens. A Navy veteran, he is the son of Mrs. M. E. Stevenson, 961 East Drive, Woodruff Place.

All America's Browns Whip Yanks, 34-21

Face Tough Schedule On West Coast
By United Press
The perennially powerful Cleveland Browns don't have much to fear on the football field today, but in the schedule book they find a torrent of terror.
The defending champion Browns defeated the New York Yanks yesterday, 34 to 21, as they headed for their second straight All America Conference football week's rest before meeting the next obstacle.
Thursday, they must take on Los Angeles at Los Angeles. Still that won't be the end. Sunday they meet San Francisco. That's three football games in eight days.

The way the Browns played yesterday, they shouldn't worry too much, even about their murderous schedule. Frightened by the Yankees tied the score at 14-14, the Browns quickly pulled out of the hole with Lou Groza's 34-yard goal and went on to win their 11th straight handily.

Buffalo Leads East
Los Angeles needed Ben Agajanian's 10-yard field goal in the last period to defeat Baltimore, 17 to 14, and that—coupled with the Yankee defeat—hoisted Buffalo into the Eastern Division lead. New York, Baltimore and Buffalo were tied before yesterday's games.
Frankie Albert was the big gun in the tight-peppered performance at Brooklyn yesterday as San Francisco scooted up, down, and around the field to a 63-to-40 victory over the Dodgers. Albert passed to four touchdowns and ran to two in this preview of the basketball season.

Kool Vent Awnings Provide Screened-Porch Comfort

Aluminum Device Protects Patio From Rain and Direct Rays of Sun
Kool Vent Aluminum Awnings serve doubly well on homes constructed without covered porches, officials of the Kool Vent Aluminum Awning Co. said today.
Owners of ranch style, colonial and other houses of similar construction are using Kool Vents to provide the comfort of a screened-in porch can afford, they said.

Since the vents are rain-proof, they keep porches and patios dry and usable and admit a diffused light on sunny days. The construction of the vent screens out the direct rays of the sun.
No seasonal maintenance is necessary since the Kool Vent Awning is a permanent installation, the company said, and the units make perfect roofs for the extended frame work of the porch.
The high gloss enamel made color fast by infrared baking enhanced the beauty of homes equipped with them, the company adds.

Trained Kool Vent engineers give free estimates and aid in designing installation to suit every purpose.

Coloradan Linked In Coed Murder

'Terrorized' Wife Names New Suspect
BOULDER, Colo., Nov. 22 (U)—An unnamed 25-year-old blond man whose wife "put the finger on him" has been "definitely linked" with the sex-slaying of Theresa Foster, 18-year-old Colorado University student, Sheriff Arthur Everson said today.
Sheriff Everson said 10 investigators questioned the man throughout the night and gain "definite evidence linking him with the slaying."

The woman said the man was taken into custody after his wife told deputies she had been "in constant terror and a virtual prisoner" since the Nov. 9 slaying. She escaped by telling her husband she was "going to see dentist."
The woman collapsed after telling her story. Sheriff Everson said she was "near hysterics" throughout the questioning and was placed in a private room at the Boulder Hospital.
Officers arrested the suspect yesterday afternoon.
