Mr. Car Owner—Dear Sir:
Bitter winter weather is almost on us. We want to offer a suggestion that will mean many dollars in your pocket, plus a considerable saving in time and trouble to you.
Have your car checked for quick starting and efficient cold weather performance. Do it at once! Bring it in now. Have us check ignition, carburetion, timing, etc.
Save yourself the annoyance and expense of unexpected failure to start in the 1st bitter weather which is just around the corner.
You are important to us... your troubles, your needs, your problems are ours. Bring them in... you'll like our policy of courteous, considerate treatment.
Very truly yours,
TED EVERROADE.

P.S. See me for a clear plastic windshield scraper—another John Ramp service! They are FREE!
