

Lux

THE ARISTOCRAT OF Launderers

Did YOU KNOW?

The best buy in Laundry is—**ECONOMY**
10 lbs. for \$1—additional lbs. only 9c each
and here's why...

- 3-Day pick-up and delivery service.
- Everything washed clean as an ocean wave.
- No harsh soaps or bleaches ever used.
- All finer linens are finished by hand.
- Bed-bath-table linens folded—ready to put away.
- Wearing apparel returned dry—ready to iron.
- Saves time—Saves money—Saves your clothes.

NOW Lux has installed the latest, scientific unit for finishing men's shirts. You'll notice the form-fit pressing—the lustre-like finish free of wrinkles. You'll experience longer wear. The price is still 17c each.

Every article of clothing or linen you send to Lux Laundry is washed through 5 separate suds in water that is actually as soft as a dew drop. No harmful soaps or harsh bleaches are ever used. Besides this seven soft water rinses are used.

That's why your clothes and linens are actually as clean as an ocean wave. Slow, thorough washing in hot water, one mild bleach for sterilization, scientific finishing, all combined make your clothes and linens look clean—small clean... They are clean and they will last longer.

Compare this with home methods and the average homemaker will agree she can't compete when it comes to downright clean clothes. If you will send your family bundle to Lux and ask for Economy, the service streamlined for economy, you'll find why hundreds of thrifty homemakers are switching to Lux ECONOMY—10 lbs. for \$1.00.

At Lux everything is washed in water "Soft as a Dewdrop"
