

# 6 Teams in 1st Night Track Meet at Ripple

Rockets Play Host Tonight For Initial Invitational

Howe, Broad Ripple and Warren Central are favored to walk off with team and individual honors at the first annual Broad Ripple Invitational track meet at Ripple tonight.

Three other teams, Southport, Washington and Bloomington University, will comprise the remainder of the field in the first night track meet in city history.

Trials were to get underway this afternoon at 3 p. m. and the finals are slated for 8 p. m. Medals will be given individual winners by Track Queen Sallie Hathaway and her attendants, Valera Hume and Diane Ambrose.

Trophies to be Given

A plaque will go to the winning team and trophies will be presented to the winning half-mile and mile relay teams.

The city's top-notch cinder representatives, Tech's Greenclads, were seeking to break Anderson's six-year stranglehold on the North Central Conference track championship at Richmond today.

Tech's team left Indianapolis at 7:15 a. m. for the trials carded for 10 a. m. The finals were slated to begin at 1:15 p. m. Tech was seeking to avenge the one-point setback handed it by the Indians last year.

Sequences by Shortridge

One season top mark fell in town yesterday as Manual squeezed by Shortridge, 55% to 53% at Shortridge. Manual's Jim Myers high jumped five feet 9 1/2 inches for the season's best high jump effort here to date.

Manual's Newlin was the only double winner, taking the century and the furlong events. The Redskins won eight firsts while Shortridge captured five top honors.
