Hollywood Seeks to Put Fresh Blood in Tired Old Stories

By Erskine Johnson

HOLLYWOOD, Aug. 4.—Exclusively Yours: Screams of moviegoers for new faces finally have been heard in the Hollywood.

A big-time agent tells me: "The studios are demanding new faces as they never have before. I submit a well-known name for a role and I'm told:

"Your client is great for the part. But we want new faces. We've got a lot of tired stories. We're going to put new blood in 'em with new faces."

The agent cited the case of one of his clients, a well-known star. Last year he earned \$185,000. So far this year he has earned only \$10,000.

LANA TURNER gets Bob Taylor and Van Johnson as her leading men in "The Big Apple," her second film after "A Life of Her Own." Lana will play a bored school teacher who plays hooky and crashes society.

Bob Walker and Kathryn Grayson will team up in "Grounds for Marriage."

Interesting behind the scenes talk about C. Gable requesting Marilyn Maxwell for the second female lead in "Key to the City."

M-G-M wanted to cast Ann Miller in the part, but Gable asked for, and got, Marilyn.

Marques sign spotted by Page Cavanaugh. "I Wonder Who's Kissing Her Now—The Fuller Brush Man."

GARY COOPER, Dinah Shore and George Montgomery stole the show at the Golden Canyon Days celebration of Helena, Montana's 85th anniversary.

Record reports that a Helena waitress said to him: "Dinah Shore must be O. K. Somebody told me I waited on her yesterday but I didn't even know it."

Jack Owens is up for a couple of Broadway musicals after checking off Don McNeill's Breakfast club show.

Mrs. Spill Jones (Helen Grayson) who retired to have a little Spike, rejoins Spike's band when it opens at the Flamingo Hotel in Las Vegas next month.

THERE WILL be more of Jimmy Stewart than ever before when he marries Gloria McLean. He's at his top weight, 167 pounds. Gloria and Jimmy are direct opposites. He's shy and quiet. Gloria is gregarious and pappy.

Jimmy is predicting that his souped-up P-51 Mustang will win.
