Use Powder Base

It's no trick to smooth on dry rouge quickly if you dust your face lightly with powder first. And don't forget to leave a coating of powder on your lips for the basis of your lipstick. You'll find the lipstick stays on longer, goes on smoother and holds a more even line.

Sliding Door Proves To Be Space Saver

Try a sliding door in locations where the door is kept open most of the time. One leading to the sun porch, for instance, may be preferable to the more conventional type.

Wash, Drain Lettuce To Retain Freshness

When storing lettuce, cut out the core and wash the head in cold water. Then drain on a plate for about 30 minutes.

PRICE CONSCIOUS?

Look at This!

MATCHED against the field, those figures make news.

Matched against what they cover—they're an urgent hint for instant action.

Because that sum puts in your garage—

STYLE that's as fresh as a dew-laden daisy, from those brand-new non-locking bumper-guard grilles to the double-bull's-eye taillights.

SIZE that's mighty handy in traffic, a real relief in modest-size garages, a wonderful aid in parking.

ROOM that rates right up at the top—with inches added to all rear seat cushions, a full foot more hiproom in 4-door Sedans.

POWER that is lively, frugal, ever-thrilling because it comes from a high-compression, high-pressure Fireball straight-eight.

A RIDE we'll put against anything else you can find, regardless of price—soft, pillowy, gentle. We call it matchless because we think you will too.

HANDLING? Well, this price is the price on a Buick SPECIAL with finger-flick Synchro-Mesh transmission—as light and easy as you'll find on any non-automatic-drive car.

But a few more dollars per month will also give you the silken luxury of Dynaflow Drive—the soft, easy, restful drive the very biggest Buicks boast.

Figure it out. Check things up. Look this picture over, then—

Go learn more from your Buick dealer. Sure as sunrise, you'll make up your mind to buy this one.
