HARD WAY?

DON'T WAIT for bitter experience  
to teach you how costly it can be to  
rely on an inadequate motor oil...

## GET "Lubri-tection"!

Rely on Phillips 66 Premium Motor Oil for dependable  
lubrication plus engine protection

These days you just can't afford to  
take chances with the kind of motor  
oil you use in your car. You're  
risking a big investment. You're  
inviting big repair bills. Better rely  
on Phillips 66 Premium Motor Oil  
to help guard your car's engine...  
two ways. First, it lubricates as  
only a quality oil can lubricate.  
Second, it helps keep your engine

clean... helps prevent the forma-  
tion of sludge and varnish because  
it contains chemical additives for  
that very purpose!  
This money-saving combination  
is called "Lubri-tection"! To get  
it, always ask for Phillips 66 Pre-  
mium Motor Oil... at stations  
displaying the orange and black  
Phillips 66 Shield.
