

Chiropractors Set Convention

Record-Breaking Attendance Expected

A record-breaking attendance at the annual fall convention of the Indiana Bureau of Chiropractic Sunday was predicted today by Dr. Ralph L. Agnew, Indianapolis president.

Dr. Agnew said reservations have been pouring in since two practitioners were enjoined recently from practicing as a result of Attorney General J. Emmett McManamon's campaign against unlicensed chiropractors in Indiana.

A special business session has been scheduled for 9:30 a. m. Sunday to consider plans for fighting the attorney general's drive, Dr. Agnew said.

Among Indianapolis convention speakers will be Dr. C. F. Aumann, member of the Indiana Medical Examiners Board, Dr. W. Dewey DeFlon, and George G. Rimer, general counsel of the International Chiropractors Association.

New officers will be elected at a 4 p. m. business session, during which reports of officers and committees will be given.

Butler to Form Loyalty Legion

Sixty students representing 15 social groups will make up Butler University's Loyalty Legion, an organization for the promotion of school projects.

The organization is currently engaged in a project to form a picture card section at university athletic contests. Mike Kirch, New York City junior, is legion president.
